It would seem that the commonest kind of common sense ought to prevent a man from buying trash, simply because he can get a big pack for 25 cents. Sheridan's Cavalry Condition Powders are strictly pure, and are worth a barrel of such stuff.

A German peasant recently found in a field a pot which contained 1,095 gold coins of the fourteenth century. The represented the German, Venetian, and Florentine coins of the period, and they were purchased for the Numismatic Music Museum at Mainz.

Gentlemen—Having been a sufferer for a long time from nervous prostration and general debility, I was advised to try Hop Bitters. I have taken one bottle, and I have been rapidly getting better ever since, and I think it the best medicine I ever used. I am now gaining strength and appetite, which was all gone, and I was in despair until I tried your Bitters. I am now well, able to go about and do my own work. Before taking it, I was completely prostrated.

J. H. Robinson, Esq., St. John, N. B.

Dear Sir,—Early in October last I took a severe cold which settled on my lungs. After having a bad cough for about six weeks, I had a very severe attack of bleeding from the lungs, while on a passage from Queenstown to Dover. I had daily spells of bleeding for some days, until I lost about two gallons of blood, and was so weak as to scarcely be able to stand. I put back to Queenstown, where I received such medical assistance as enabled me to get home.

I saw an advertisement of your Phosphorized Cod Liver Oil Emulsion in a paper. I immediately sent and got half a dozen bottles, after taking which I feel myself a well man again. My weight, which was reduced to 120 pounds, is now up to my usual standard of 152 pounds. Seeing what it has done for me, I can confidently recommend it to others afflicted with lung disease.

Yours very truly,

(Signed) JOSUA HARPER,

Of the barque "Mary Lowerson."

Two coffins hollowed out of the trunks of oaks, and so resembling canoes, have just been unearthed near an old church in the English parish of Grimby. Something of bark still clings to the wood, and the lids had been fastened on with wooden pins. These relics were found in a bed of solid clay. Two similar coffins discovered a generation ago in Aberdeenshire were considered by Scotch antiquaries to be as old as the year 400 A. D.

"Truth conquers," and Puttner's Painless Corn Extractor is the embodiment of truth. "Actions speak louder than words, and its action on corns of every description has been the means of extending its reputation far and wide. The explanation of its success is that it performs all that it claims to do, viz.: To remove the worst corns in a few days without pain. Beware of imitation and substitutes. CONVINCING PROOF.

The attention of readers is respectfully called to the advertisement of the Puttner Emulsion Co., appearing in the columns of this paper. Convincing proof is there given of the unbounded popularity of their valuable proprietary medicine which cannot be gain-said.

PHYSICIAN'S TESTIMONIAL.—J. F. Brine, M. D., Port Hill, P. E. I., writes:—Messrs. Puttner, Emulsion Co., Halifax. Dear Sirs—I have used your Emulsion extensively during the past four years, and have much pleasure in adding my testimony as to its efficacy. We had here last summer numerous cases of Whooping Cough and Scarlet Fever. I found the Emulsion answer admirably when the acute symptoms had subsided, in very many instances. In most wasting disorders, especially those peculiar to children, your Emulsion has rendered me good service, being pleasant to the taste and no feeling of nausea following its administration. It seldom fails giving good results, and I prefer it to any other preparation of the kind.

I am, yours respectfully,

J. F. BRINE, M. D.

Various Causes—

Advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray, light or red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action. It removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or the glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair, on which a few applications will produce the gloss and freshness of youth. Harmless and sure in its results, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts.

Ayer's Hair Vigor is colorless; contains neither oil nor dye; and will not soil or color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous, imparting an agreeable perfume.
