REV. G. M. MILLIGAN, Pastor of Old St. Andrew's Presbyterian Church, Toronto, says

384 SHERBOURNE STREET.
PROF. VERNOV—Dear Sir: By taking your treatment last fall I am happy to tell you that I began last winter's work well. I have not slept so soundly for years as I have done since the treatment, and never have I done my work with such comfort and energy as during the past year. The tonic and alterative effects of the electrical applications have been of so great ben- fit to me that I believe every person, whatever his health may be, would find himself benefited by a greater or less use of electricity. It is indispensable to the health of the nerves. Very gratefully and yours truly.

GEO. M. MILLIGAN.
