OBJECTS OF THE COMPANY.

This Company has been established to conduct the following business, and thus supply a want greatly felt by
Property-holders, Capitalists, and others.

GUARANTEE OF RENTS.—1. To guarantee the rents of every description of rentable property, thus securing to
property-owners their income at fixed periods, as reliably as if invested in Government Securities or Bank Stock.

PROCURING LOANS.—2. To obtain loans at short dates, and for temporary purposes, offering a confidential and
reliable channel for negotiation.

INVESTMENTS.—3. To sell or purchase land and house property, mortgages, stocks and shares, marketable and other
securities, and if so agreed to guarantee the interest and principal of investments.

TO PROPERTY HOLDERS AND INVESTORS.

This Company originated in the difficulty experienced by some of its stockholders in renting, collecting rents, insuring and repairing their
own houses, &c., during absence abroad and even while at home, when absorbed in professional or mercantile business. House and Land Agents
offer their services, it is true, but they act as individuals, and on individual responsibility only. They guarantee nothing. If honest, intelligent,
and capable, you may have nothing to complain of; if deficient in either point, you may find your houses dilapidated, vacant, or badly rented;
or your accounts with your agent may not be satisfactory, and you have no remedy.

On the other hand, a Company, with an efficient Staff, the supervision of a Board of Direction, and a sufficient capital to ensure responsi-
bility and watchfulness, may not only undertake to let, repair, insure, collect rents, invest monies, sell and buy Lands and Houses, for absent
capitalists and owners, but to guarantee the income or profit which may result. It is believed that even property owners, residing permanently
in this country, will find it profitable to use the Agency of this Company in the management of their houses and estates.

An organized staff of officers, combining the best legal and professional skill, an extensive local experience, with a common business
centre, must possess great advantages over individuals, acting for others or for themselves, obliged to employ professional assistance in each case,
or risk the consequences of acting without it.
