This old established *Fire Mutual* licensed by the Do-
minion Government, still continues to do the largest and
safest business in Canada. It was the first to give
FARMERS and OWNERS OF ISOLATED RESI-
DENCES their insurance at reasonable rates, and it
has never embarked in business of a more hazardous
nature. In using no dividends to pay stockholders, and
the expenses of working being kept at the lowest possible
figures, the cost of insurance is proportionately small.
