I beg leave to inform you that I am prepared to supply Plans and Estimates for all descriptions of Structural Iron and Steel Work, Engines and Boilers, Girders, Roofs, Bridges, &c.; and also to inspect same during or after erection. Having had long practical experience both in the manufacture, erection, and inspection of this class of work, I trust to be favored with your confidence. Matters in arbitration, valuation of machinery and plant, and adjustment of fire losses, will receive special attention.

Please mention the CANADIAN ARCHITECT AND BUILDER when corresponding with advertisers.
