**TEN REASONS why you should buy the NEW AGE ENCYCLOPAEDIA**

1. It is a **POST-WAR WORK**. Essentially modern and specializing on the **MOST RECENT** history, science, biography, geography and invention.
2. It is **ACCURATE, RELIABLE, AND UP-TO-DATE**. Written in the tersest language, without padding.
3. It is the **HANDIEST AND MOST COMPACT WORK** of reference extant. Contains over 35,000 articles in its 4,800 pages.
4. It is **ATTRACTIVELY BOUND**. No trouble with parts, and no extra expense for binding.
5. It is **WELL ILLUSTRATED WITH USEFUL MAPS, Diagrams, and Pictures**.
6. It presents the **ESSENTIAL FACT OF THE NEW AGE AT A GLANCE**. No wading through long columns of print for a date, fact or figure.
7. It makes a **SPECIALTY OF WAR TOPICS**. Gives the record of every British regiment which fought in the Great War, an account of all battles by sea and land, and biographies of all leading commanders.
8. **IT DETAILS THE REARRANGEMENT OF TERRITORY** all over the world.
9. **IT DISCARDS THE OLD ENCYCLOPAEDIA LUMBER** in favour of **LIVING MEN** and **LIVING MOMENTS**.
10. **LATITUDE AND LONGITUDE** are given with topographical reference, so that the position of any place may be found on any available map.
