

- (b) traffic requirements of the area through which the airline passes after taking account of other transport services established by airlines of the States comprising the area; and
- (c) the requirements of through airline operation.

5. The capacity to be provided on the specified routes, i.e. frequency of services and type of aircraft, shall be agreed in advance between the designated airlines in accordance with the principles laid down in this Article, and subject to the approval of the aeronautical authorities of the Contracting Parties. In the absence of an agreement between the designated airlines, the matter shall be referred to the aeronautical authorities of the Contracting Parties which will endeavour to resolve the problem pursuant to Article 17 of this Agreement. Pending an agreement either at the airline level or between the aeronautical authorities, the status quo shall be maintained.

ARTICLE 10

1. The aeronautical authorities of both Contracting Parties shall provide each other with monthly statements of statistics on a quarterly calendar basis, including all information required to determine the amount of traffic carried over the routes specified in the Annex to this Agreement and the initial origins and final destinations of such traffic.
2. The details of the statistical data to be provided and the methods by which such data shall be provided by one Party to the other shall be agreed upon between the aeronautical authorities and implemented no later than three (3) months after the designated airline of one or both of the Contracting Parties commences operations, in whole or in part, of agreed services.
3. Failure to reach a satisfactory agreement regarding the supply of statistics may, at the discretion of either Contracting Party, constitute grounds for the application of Article 17 of this Agreement.

ARTICLE 11

1. Each Contracting Party shall on a basis of reciprocity exempt the designated airline or airlines of the other Contracting Party to the fullest extent possible under its national law from import restrictions, customs duties, excise taxes, inspection fees and other national duties and charges on aircraft, fuel, lubricating oils, consumable technical supplies, spare parts including engines, regular aircraft equipment, stores and other items intended for use or used solely in connection with the operation or servicing of aircraft of the designated airline or airlines of such other Contracting Party operating the agreed services, as well as the usual publicity material distributed without charge by that designated airline or airlines.
