

- (i) means the measure as amended, continued or renewed as of the date of entry into force of this Agreement, and
- (ii) includes any subordinate measure adopted or maintained under the authority of and consistent with the measure;
- (g) **Description** sets out commitments, if any, for liberalization on the date of entry into force of this Agreement, and the remaining non-conforming aspects of the existing measures for which the reservation is taken; and
- (h) **Phase-Out** sets out commitments, if any, for liberalization after the date of entry into force of this Agreement.

3. In the interpretation of a reservation, all elements of the reservation shall be considered. A reservation shall be interpreted in the light of the relevant provisions of the Chapter against which the reservation is taken. To the extent that:

- (a) the **Phase-Out** element provides for the phasing out of non-conforming aspects of measures, the **Phase-Out** element shall prevail over all other elements;
- (b) the **Measures** element is qualified by a liberalization commitment from the **Description** element, the **Measures** element as so qualified shall prevail over all other elements; and
- (c) the **Measures** element is not so qualified, the **Measures** element shall prevail over all other elements, unless any discrepancy between the **Measures** element and the other elements considered in their totality is so substantial and material that it would be unreasonable to conclude that the **Measures** element should prevail, in which case the other elements shall prevail to the extent of that discrepancy.

4. Where a Party maintains a measure that requires that a service provider be a citizen, permanent resident or resident of its territory as a condition to the provision of a service in its territory, a reservation for Article 1202, 1203 or 1205 or Article 1404, 1405 or 1406 taken with respect to that measure shall operate as a reservation for Article 1102, 1103 or 1106 to the extent of that measure.
