## CANADA'S COMMITMENTS

Canada's Action Plan sets out the Government of Canada's specific commitments to advance the WPS agenda for the period 2017-2022. The Action Plan commits Canada to:

- 
- increase the meaningful participation of women, women's organizations and networks in conflict prevention, conflict resolution and post-conflict state-building;
  - prevent, respond to and end impunity for SGBV perpetrated in conflict and sexual exploitation and abuse by peacekeepers and other international personnel, including humanitarian and development staff;
  - promote and protect women's and girls' human rights, gender equality and the empowerment of women and girls in fragile, conflict and post-conflict settings;
  - meet the specific needs of women and girls in humanitarian settings, including the upholding of their sexual rights and access to sexual and reproductive health services; and
  - strengthen the capacity of peace operations to advance the WPS agenda, including by deploying more women and fully embedding the WPS agenda into CAF operations and police deployments.
