

general public the benefits of buying in the cheapest market. It will give us expanding resources industries and the wherewithal to buy even more from you than we ever did before.

Canadians believe that the free world will reap the greatest benefits if the development of new low-cost resources is encouraged, their exchange facilitated and the exercise of sound business judgment interfered with as little as possible by government action. In this field, as in many others, Canada, like other free nations, is willing to join with the United States in offering concrete evidence of readiness to help build a world in which all peoples can be productive and prosperous.
