The Deputy Chairman: Shall vote 163 carry?

Mr. Howard: I had asked whether the minister would indicate if he will confer with the Department of Justice about these other I.L.O. conventions.

Mr. Starr: I will take that suggestion under consideration.

Mr. Argue: Mr. Chairman, I have been greatly disappointed with the attitude of the minister toward a winter works program. In looking over *Hansard* for Friday, May 15—

Mr. Browne (St. John's West): The hon. member cannot refer to a debate on another matter.

Mr. Argue: May I tell my hon. friend from Newfoundland that I am referring to the debate on item one, the same item, and it is very much in order. As a matter of fact, such references are provided for by the rules.
