HOUSING

PETERBOROUGH, ONT.—REPORTED CUT-OFF OF C.M.H.C. LOANS

On the orders of the day:

Mr. R. A. Webb (Hastings-Frontenac): Mr. Speaker, my question is directed to the Minister of Labour. Can the minister tell the house whether it is true that Central Mortgage and Housing Corporation has cut off all loans for housing in the Peterborough district?

Hon. J. R. Nicholson (Minister of Labour): Mr. Speaker, I will have to take the question as notice. I doubt whether they have all been cut off, but I would be glad to look into the position and make sure.

NATIONAL DEFENCE

CHANGE IN NAME OF BEAUSEJOUR DEFENCE ESTABLISHMENT

On the orders of the day:

Mr. Ed. Schreyer (Springfield): Mr. Speaker, I wish to direct my question to the Minister of National Defence. I believe he has received written notice. It is my understanding that the place name of the defence establishment at Beausejour, Manitoba, has been changed to Moskwa. Was this done upon departmental request or with departmental approval? It seems strange that a perfectly good French name should be changed to one which transliterates into "Moscow".

Mr. Speaker: If the question raised by the hon. member refers to something which has already happened, I suggest it be placed on the order paper.

INQUIRY OF THE MINISTRY

On the orders of the day:

Mr. E. Nasserden (Rosthern): Mr. Speaker, I have a question for the Minister of Agriculture. Could he tell us whether a chapter will be included to deal with the price of farm machinery in "The Joe Greene Almanac and Shopping Guide for Housewives"?

Some hon. Members: Oh, oh.

Mr. Speaker: The Chair will ask the minister to have the Clerk read the book.

Inquiries of the Ministry

ADMINISTRATION OF JUSTICE

INQUIRY AS TO EXTENSION OF APPLICATION OF CLEMENCY

On the orders of the day:

Mr. Ralph Cowan (York-Humber): Mr. Speaker, I have a question for the Solicitor General. Since Shakespeare advises us that the quality of mercy is not strained, I would ask the hon. gentleman if he would extend mercy to people who may have been convicted of arson, theft or contempt of court, if requests are forwarded.

Mr. Speaker: This question sounds strangely like one which was raised by the hon. member earlier this week when I believe it was ruled out of order. Perhaps the hon. member would wish to discuss it later today.

Mr. Cowan: Ten o'clock tonight.

HEALTH AND WELFARE

REQUEST FOR PROHIBITION OF CIGARETTE ADVERTISING IN BROADCASTING

On the orders of the day:

Mr. Barry Mather (New Westminster): Mr. Speaker, I should like to address a question to the Secretary of State or to her parliamentary secretary. Bearing in mind the concern expressed by cancer societies over the growing incidence of cigarette disease, what consideration is being given to removing cigarette advertising from Canadian broadcasting?

Mr. Speaker: The hon. member will admit, I am sure, that this is a question of very general nature which might be placed on the order paper.

Mr. Mather: Ten o'clock.

NATIONAL PARKS

CAPE BRETON HIGHLANDS—WINTER WORKS PROGRAM

On the orders of the day:

Mr. Robert Muir (Cape Breton North and Victoria): Mr. Speaker, my question is for the Prime Minister. In view of the fact that today's mail has brought news that another 34 men have been released from employment in Cape Breton Highlands national park, would the Prime Minister look into this matter and see whether some assistance in the form of winter work could not be given as soon as possible?

Right Hon. L. B. Pearson (Prime Minister): I would be glad to look into it, Mr. Speaker.
