

*Motions for Papers*

**Mr. Yves Forest (Parliamentary Secretary to President of the Privy Council):** The Minister of Industry, Trade and Commerce is willing to table copies of the consultant's study with the exception of one page which has been extracted from the study. This extraction refers to prices, and his deemed to be of a proprietary nature to the company concerned. If the hon. member accepts this reservation the minister will table this study immediately.

**Mr. Skoberg:** Agreed.

**Mr. Speaker:** Subject to the reservations and conditions expressed by the Parliamentary Secretary, is it the pleasure of the House that Notice No. 193 be deemed to have been adopted?

**Some hon. Members:** Agreed.  
Motion agreed to.

SPECIAL DESIGNATION, LESSER SLAVE  
LAKE REGION

That an humble Address be presented to His Excellency praying that he will cause to be laid before this House a copy of all correspondence, telegrams and all other documents exchanged between the Department of Regional Economic Expansion or any agency or division thereof, and the Government of the Province of Alberta or any agency or division thereof, pertaining to special designation for the region of Lesser Slave Lake and plans for regional economic development of that area.

**Mr. Martin P. O'Connell (Parliamentary Secretary to Minister of Regional Economic Expansion):** Some of the documents requested are working papers exchanged by officials and as such are privileged. If the hon. member wishes, we would be pleased to table correspondence exchanged at the ministerial level if the consent of the province of Alberta is obtained.

**Mr. Speaker:** Subject to the reservations and conditions expressed by the Parliamentary Secretary, is it the pleasure of the House that Notice of Motion No. 258 be deemed to have been adopted?

**Some hon. Members:** Agreed.

PRIVATE AIRCRAFT USER CHARGES AND FEES

**Motion No. 282—Mr. Skoberg:**

That an Order of the House do issue for a copy of the review on user charges and fees paid by private aircraft using the facilities provided by the

Department of Transport as mentioned by the Minister without Portfolio in *Hansard* of November 26, 1969 on page 1291.

[*Translation*]

**Mr. Gérard Loiselle (Parliamentary Secretary to Minister of Transport):** Mr. Speaker, as the review on user charges and fees paid by private aircraft using the facilities provided by the Department of Transport is not yet completed, it is not possible to table a copy of it. As soon as it is completed, consideration will be given as to whether or not it is appropriate to do so.

In the circumstances, I would ask the hon. member to withdraw his motion.

[*English*]

**Mr. Skoberg:** I ask that the motion stand.

**Mr. Speaker:** Stand. Notice of Motion No. 322.

**Mr. Forest:** No. 332.

STUDIES BY TRANSPORT POLICY AND  
RESEARCH BRANCH

**Motion No. 322—Mr. Skoberg:**

That an Order of the House do issue for copies of the research studies undertaken by the Transportation Policy and Research Branch of the Department of Transport as reported in answer to Question Number 233 in *Hansard* of December 17, 1969 at page 2069.

**Mr. Yves Forest (Parliamentary Secretary to President of the Privy Council):** Mr. Speaker, notice of motion No. 332 is acceptable to the government subject to the usual reservations concerning confidential papers and to the authorization of private industry concerned.

**Mr. Skoberg:** Agreed, Mr. Speaker.

**Mr. Speaker:** This answer refers to notice of motion No. 332?

**Mr. Forest:** Yes, Mr. Speaker.

**Mr. Skoberg:** Mine is 322, Mr. Speaker.

**Mr. Speaker:** There appears to be some confusion here. The Chair called motion No. 322 and the Parliamentary Secretary appears to have replied to 332. The motion which I have here is motion No. 322 in the name of the hon. member for Moose Jaw. Shall this motion stand?

**Mr. Skoberg:** Mr. Speaker, I do not believe he acknowledged that motion.
