

August 17, 1932.

Walter G. Mitchell, Esq.,  
Ste. Petronille,  
Island of Orleans, P.Q.

Dear Mr. Mitchell,

I have your kind letter of the 7th, and in reply I must tell you that it is absolutely impossible for me to attend the golf match which the Quebec Graduates propose to hold next Wednesday.

We are having almost daily conferences regarding our new Neurological Building, something which we are anxious to get started as soon as possible and which I cannot for a moment neglect.

I hope you will have a happy day.

Ever yours faithfully,

Principal
