JUDGES' CHAMBERS Choquette

QUEBEC, March 7th, 1933.

Sir Currie,
President McGill, University,
Montreal.

Dear Sir;-

Would you be kind enough to send me a copy
your
of a declaration about an Union Government, published by
the papers, and specially in the Gazette, as I am informed.

I should like very much to have it correctly
because I have much sympathy for that statement.

Thanking you in advance,

Believe me,

Yours very truly.
