4. Every Student must keep off his hat while he is in the operating theatre, both that he may not obstruct the view of others and as a mark of respect; and all noises and changes of seats must be avoided, as unpleasant to the operator, and hurtful to the patient.

5. Students when visiting the wards are on no account to offer any advice, or express any opinions, unless when requested so to do by the attending Medical Officer.

6. No Student shall enter the wards at any time except the visiting hour, unless by permission of the attending Medical Officer.

7. Any Student infringing any of the above regulations, shall forfeit the benefit of his ticket, and the privilege of attending the Hospital.

Every Governor and Member of the Medical Board of the Hospital, and the Clergymen belonging to the congregations of this city, may recommend patients to be admitted into the Hospital, in the manner and form hereinafter prescribed; but it shall be the exclusive prerogative of the attending Physician or Surgeon, as the case may be, to judge if the person so recommended be labouring under such disease as is admissible into the Hospital, according to the By-Laws of the Corporation.

2. In any urgent case, when delay may be dangerous, the House Physician or Surgeon shall have power to admit patients; and he shall immediately give information of the same to the attending Physician or Surgeon, as the case may be, or, if he cannot be found, to any other of the Medical Board of the Hospital.
