MONTREAL GRAIN MARKET.

MONTREAL Sept. 12.—Owing to the further decline in wheat prices American and Canadian cables were weaker, and the price hid for No. I Manifer, and Canadian cables were weaker, and the price hid for No. I Manifer, and the price are steady with only a small trade passing. Demands and small only the price hid for No. I Manifer, and the price are steady worked and an active trade continues to be done, but the export business is quieter on account of the deciline in prices for the raw material.
