

Thin in flesh? Perhaps it's natural.

If perfectly well, this is probably the case.

But many are suffering from frequent colds, nervous debility, pallor, and a hundred aches and pains, simply because they are not fleshy enough.

Scott's Emulsion of Cod-liver Oil with Hypophosphites strengthens the digestion, gives new force to the nerves, and makes rich, red blood. It is a food in itself.

Do not fail to get a copy of John M. Whyte's new Song Book

Nuggets of Gold

A COLLECTION OF ROUSING

BATTLE SONGS FOR THE TEMPERANCE CAMPAIGN.

Single Copies, 25c. each. Postpaid.

Per Dozen, \$2.50; Per Hundred, \$17.00. Carriage Extra.

NEARLY all of the songs are of Mr. Whyte's own composition, and are here published for the first time. They have been tried from the platform, and received with enthusiasm. The one song, "He Could Drink or Leave It Alone," is itself worth the price of the book. Others that will prove favorites are: No. 4, "Down With the Traffic"; No. 10, "Have You Noticed That?" No. 13, "Who Killed the Man?" No. 22, "Would It Mean Anything to You?" No. 40, "The Road to Glory Goes Another Way"; No. 42, "A Dollar Bill or Two." These are some of the richest "nuggets," but there are plenty of others. Temperance lodges and other organizations should at once get a supply of books. Note the great reduction in price on quantities.
