

Copland's Sweet Castor Oil.

Equally suitable for Children and Adults.

Endorsed by over 600 Doctors in Canada.

We have recollections that are hard to erase from our memory of a time when the good old fashioned but disagreeable Castor Oil was the favorite medicine with our mothers. We then feared to tell that we were sick, for we knew what would follow that acknowledgment. We preferred suffering in silence rather than take that nauseous and sickening medicine. But with the advancement of science this feeling has disappeared; one discovery has followed another; and one of the most important in the history of medicine is the discovery of a way whereby Castor Oil can be sweetened and rendered palatable.

To the inventor of COPLAND'S SWEET CASTOR OIL is the world indebted for this valuable improvement on a staple household medicine. After careful and long study he made this discovery, and called it Copland's Sweet Castor Oil.

Copland's Sweet Castor Oil is of the same strength and medical value as the ordinary Castor Oil, and is equally safe and harmless, yet acting with more certainty, and producing neither griping, nor vomiting. Some children say it is like water; others call it syrup—they all say it is good. One parent says: "My child took it like water;" another: "My child hid the bottle or they would have taken it right off;" another: "My child has taken it twice without any effect, and does not know what it is." She hates the ordinary Castor Oil, but we could never get her to take it. Yet another: "I wish you would make of your SWEET CASTOR OIL; it is a splendid thing, sure to take the place of all the common oil."

Dr. W. COBURN, Oshawa, writes: "I have prescribed your *Sweet Castor Oil* a number of times since its introduction to the trade and members of the profession of this place, and in every instance with the greatest satisfaction; in some cases in which I had occasion to administer it, notwithstanding the existence of a feeling of dislike amounting to almost absolute intolerance, the patients were unwilling to admit that it was oil they had taken. I have every confidence in it, and will feel a pleasure to recommend it to my patients."

Below are names of a few medical men acquainted with *Copland's Sweet Castor Oil*, who certify that it is a great improvement on ordinary Castor Oil, and recommend it as pleasant, harmless, efficacious, and supplying a long-felt want: L. Brock, M.D., Guelph; D. Macintosh, M.D., Hamilton; E. Clapham, M.D., L.R.C.S., Belleville; Geo. W. Wright, M.D., Berlin; W. Cowen, M.D., Galt; Geo. Smith, M.R.C.S., Stratford; James P.
