The Times.—"A most illuminating commentary on Tchikovsky's music."

World.—"One of the most fascinating self-revelations by an artist which has been given to the world. The translation is excellent, and worth reading for its own sake."

Contemporary Review.—"The book's appeal is, of course, primarily to the music-lover; but there is so much of human and literary interest in it, such intimate revelation of a singularly interesting personality, that many who have never come under the spell of the Pathetic Symphony will be strongly attracted by what is virtually the spiritual autobiography of its composer. High praise is due to the translator and editor for the literary skill with which she has prepared the English version of this fascinating work. . . . There have been few collections of letters published within recent years that give so vivid a portrait of the writer as that presented to us in these pages."
