The division came as the result of the shamrocks' refusal to continue in the league with Quebec, partly owing to rough treatment experienced there, and partly from financial reasons.

Sherbrooke and Quebec only managed to keep their positions by offering to help urect 'traveling expenses of visiting clubs. A committee to revise the playing rules was appointed, and it is possible that Mr. Fundlay's proposal to reduce the number of players will be adopted.

urged on by the manager, put in a good practice.

The weather at the island was fine and warm—a most ideal day for a team to start their practices, and if the weather is as good next Saturday, when the Indians play the champion Nationals the first game of the season on the island there will be a big crowd.

In addition to the regular, Tecumseh team, a number of other players of various city teams took advantage of the weather to have a workout. A few of those seen out were: Joe Green, Lillie, Collins, Curtis, Sheardown, Roland, Hurd, Boehm, Purvis, Bird (formerly of Thora) and Toots Harrison. Among the vounger piayers, Joe Green looked much the best, and he looks like a comer. He is not very heavy, but is fast and adpretty stickhandler.

Fred Graydon coached the defence and kept them going. McGregor and McDougall look in pretty fair shape right now. Querrie and Rowntree are shoth too fat and will have to do a lot of work. MacKenzie and Felker both 190k well.

Devonians and Moore Park played on the latter's grounds before a large crowd on Saturday. Devons won the toss and defended the west goal. Moore Park at time present the play was fast and furious, both, teams playing hard, Moore Park showing superior combination to the ristors. Devonians broke away when showing superior combination to the visitors. Devonians broke away when Rewe had hard lines on several occasions, being robbed by Highet in the nick of time. Moore Park forwards were showing a high standard class of combination and after a brilliant centre from Firth the Parks' centre forward hooked in a great goal. Devonians tried hard to draw leyel, but found a stubborn defence. Rowe was playing a great game and deserved better results. Turner broke away on the left and after tricking several defenders sene across. Firth jumping, headed a great goal, making the score 2 to 0 in Parks' favor. Half time score, Parks 2. Devonians 0.

The Parks hay backs set their forward going again, but Devons defence checked heavy and hard, spoiling many dangerous movements by their opponents. Devons broke away again and after a tussle in the Parks' goal they netted the ball. From the kick-off Turner broke away and centred, when Firth headed another capital goal for Moore Park, the same player having to be taken off the field a few minutes later, owing to an injury. Devons were awarded a penalty. Rowe, taking the kick, beat Williams hands down. Play became exciting and Turner accepted a pass from Wright, beat the Devon goal-keeper from 20 yards out. There was no more scering, both teams having given a great display and the game ended, Moore Park 4, Devons 2.
