The plea made by Bonnar for a rison in broad daylight on April 29, and were afterwards captured.

Kelly and Brown pleaded guilty, but Bonnar and Jones sprang a surprise by pleading not guilty. Each one conducted his own case, and they put the guards from the penitentiary thru a close cross-examination, the judge complimenting Bonnar on the way he had conducted his case. He is a polished young Englishman, and with a great flow of language, and he made an eloquent appeal on his own behalf, and helped Jones in his case. Both also addressed the jury, which, however,

SEAFORTH, June 13.—(Special.)—The third and final day's racing of the circuit meeting here was finished to-day under splendid weather conditions. The attendance was very large and the racing was as good as ever seen on any track in good snape for record breaking miles. The first race called was the 2.14 pace, laid over from the previous day, and out of an entry list of eight, six very fast pacers faced the starter. There were several favorites in this race, but it was finally conceded that the more Vera B., who won the race, was the best, altho Paddy McKinley won't he first heat. The time, as will be seen by the summary, was very fast, in fact only one heat in the 2.10 pace, was faster and that only 4 of a second.

The 2.27 trot was won easily by Ethel Mc, R. McIrvine's good black mare from Brantford. She went a good race, was very steady and got a mard of 2.22%. Parker, owned by J. Sheridan, Toronto, got second money.

The race for the 2.10 pacers was a great Parker, owned by J. Sheridan, Toronto, got second money.

The race for the 2.10 pacers was a great race, but was won handily by J. C. Ward's Ritchie. He finished fifth in the first heat, but was easily the best in all the others, winning well in hand. Asa Wilkes always landing second.

The 2.22 pace, the last on the program, was a good race. There were seven starters. Hetty Green, a converted trotter with a mark of 2.12½ as a trotter, has been put to pacing. She was installed the favorite, but was very unsteady. Crescent Simmons, a brown horse owned by W. P. Fickert of Tillsonburg, drew the pole and was never headed, winning the race in straight heats. This concluded one of the best meetings ever held in this
