## How Do You Size Up as a Man?

TO MY READER:  
Have you heard of the wonderful new scientific method for the self-restoration of lost strength? Use the free coupon and get full and explicit information, sealed in plain envelope, by return mail. Over 100,000 men wrote to me privately for this free information during February. Everything you need to know about this new self-restoration method is contained in my little pocket-size 88-page illustrated book, which the free coupon below entitles you to.

This compendium of treatise of over twenty thousand words covers its subjects thoroughly and contains complete private information of a special nature, which should be of vast interest and value to any man from the years of youth on through early manhood, married life, and to a ripe, healthy, old age. This wonderful little book, with its words of wisdom, is ready for you. Please write or call to-day.

**SANDEN, Author.**  
Do you know, my friend, that a strong, clear-eyed, strong-nerved man is the most powerful influence in the world? His faculties are normal and evenly balanced; he loves life for itself; he conquers obstacles that make other men tremble at; he casts good cheer about him; he fascinates all men and all women who come within the sphere of his manly influence. Do you know that the true power of so-called "Hypnotic Influence" is really nothing more than the strong personal magnetism of the man who asserts it? Therefore, if I restore your lost strength, reader, I give you the power of the giant. It makes no difference to me whether you are young or elderly, short or tall, if I can show you a sure and never failing way by which you yourself can restore yourself to complete strength (without drugs), then I can make you as well, vigorous and capable as buoyant of spirit, as fascinating in manner as the biggest, fullest-blooded fellow of your acquaintance.

I will here merely say that my method is a system of vitalization by means of an appliance of my own invention and which, under my patent rights, I call a HEALTH BELT. You place this HEALTH BELT around your waist upon going to bed and wear it nights until you are thoroughly rested to strength and health. The sensation it produces is a most pleasant one, merely a warm, soft, gentle flow of a force which I call vitality. This new method out of your back in a few hours' time, while you commence to feel better at once. Sixty to 80 days is sufficient to build up your nerves and body so that you will probably look better and feel better than you have ever looked or felt before. Your friends will soon commence to secretly marvel at the change in your appearance, while you will unconsciously answer "Never felt better in my life" to their greetings.

As your system absorbs the new strength rheumatism, kidney, liver and stomach troubles disappear. Please write or call to-day.

## 86-Page Man's Book Use Free Coupon

My 86-page illustrated book for men, aside from its general advice, fully explains the new scientific method for restoring strength which is referred to above. Write for free copy to-day. Please use coupon below. There are several chapters of this book which ANY MAN, young or single or married, should read and can profit by to the end of his life. If living near by, call in person and receive a free demonstration of the treatment. Hours 9 to 6. Entrance 6 Temperance St.

## To-day's Entries

**At Fort Erie.**  
The Toronto and Tecumsehs line up at 2:30 this afternoon for their Big Four game at the Stadium. The teams will be the same that beat the Irish-Canadians and Nationals a week ago, as follows:  
Toronto—Goal, Kinsman; point, Yeaman; cover point, Davidson; first defence, Graydon; second defence, Green; third defence, McKenzie; centre, Rountree; third home, Gorman; second home, D. Smith; first home, Durkin; outside home, Querrie; inside home, G. Smith.  
Toronto—Goal, Gibbons; point, Harshaw; cover point, Marshall; first defence, Powers; second defence, Stagg; third defence, Braden; centre, Dan; fourth defence, Bobby Hewittson; outside home, Longfellow; first home, Don; second home, Kalls; inside home, Harwick.  
Officials—Billy McIntyre, Ottawa; Eddie St. Pere, Montreal.  
Baton meets St. Catharines in a semi-C. L. A. game at 1:30 to-day before the big game at the Island. The last time these two teams met it was a great struggle and the quality of lacrosse was a credit to both teams and the C. L. A. A big crowd should take in these games to-day. Batons have changed their line-up. Bobby Hewittson will be seen on the home field and will be a tower of strength to the team. Batons will line up as follows:  
Goal, Torrey; point, Hooper; cover, Long; first defence, Porter; second defence, Higgins; third defence, Conley; centre, Melross; third home, Ripley; second home, Burrell or Van Wyck; first home, Hewittson; inside, Carmichael; outside, Laird.  
Gagnon, the defence player who was on the Nationals last year, and was signed by George Kennedy for the Irish-Canadians on Monday, is one of the most dangerous defence men in the business. He has put many a star home man down for the count, one of his victims being Billy Fitzgerald a couple of years ago. Nick Carter was another to fall to his strenuous checking, and the Toronto home man who checks Gagnon the big game on Dominion Day at the Beach will have a busy and perilous afternoon. The

**NEXT WEEK**

Only One Auction  
Sale on Thursday,  
July 4th, at 11 A.M.

On account of Monday next being Dominion Day and a public holiday, we shall hold no auction sale on that day. The stables, however, will be open for private sales every day.

We shall have no lack of horses for sale next week, as several of our shippers have advised us of their consignments coming in on Monday. The quality also will be up to a high standard, and many fine specimens will be ready for sale. The majority of the stock will be of the heavy draught class, although we shall have a goodly number of expressers and wagon horses, some first-class drivers and complete driving outfits, and several ponies and their outfits and carts. In addition to this we shall also sell

25 ARMY HORSES that have been used during the recent camp by the Governor-General's Body Guards. These horses are all in good condition, seasoned to hard work, and perfectly broken to all harness and saddle. These horses are consigned to us for sale on Thursday next, with instructions that they be sold without the slightest reserve.

EVERY AUCTION SALE DAY, in addition to our regular shipments, we also sell a number of serviceably sound workers and drivers consigned to us by city people who have no further use for them, also an unlimited number of sets of new and second-hand harness and rigs of every description. The latter can always be purchased by private sale as well as by auction.

WE HAVE SECURED PASTURE RIGHTS for this season on a large tract of land, being the best of pasture for horses. If you have one or more horses you wish to put on grass for the summer months call, write or phone us for particulars and rates. PHONE NORTH 3920.

ALL HORSES sold with a warranty are returnable by noon the day following day of sale if not as represented.

A YONGE, Dupont, Avenue Road, Belt Line or Church car will take you to within half a block of our stables.
