If negotiations go thru and a suitable ground is furnished by the Rapid Transit Company or other interests. Eastern League ball may again by had here. It was not a success before, but might be made so this time. If Syracuse got an Eastern League franchise the State League franchise would go elsewhere. Geo. N. Kuntzsch, when questioned last night, seemed indifferent to its ultimate fate. Sandy Griffin is reported to feel the same way.

It is also said that Scranton is ambitious to break into the Eastern League. There may be real chivalry between two or more cities over the question of Montreal's successor.
