Leafs Play Errorless Ball in First of Present Series - Bisons Whitewash Rochester.

Good ballplaying marked the return of the Torontos to Diamond Park yesterday Rocheste afternoon. Montreal, who for the last few days have been holding the Leafs down pretty well at the Royal City, made a good effort to continue the good work here, and, tho they failed, they gave a good exhibition and showed vast improvement over their form on their previous visit here. The game was a remarkably clean, fast one, the only error falling to Corcoran, who dropped a good throw of Catcher McManus, which would have cut off an attempted steal. The patting was light and was about even up, but the locals' hits came in most opportunery, which won them the victory. Stanley and Applegate were in the box, and both were in good form. Both had speed, with a big break, but Stanley had less control, which was partly the cause of his defeat. Kelley and Carrigan were to the fore with the stick, while Thoney helped some with a timely two-bagger. Applegate was invincible in tight places, and, with good work behind him, was able to shut the Royals out.

The first two innings were unproductive for either side, tho in the first, with two out, Phyle drew a pass and Kelley hit to right, but Carrigan was thrown out by Shean. The third started out the same. After Thoney and Schafly went out, Phyle got his second charity, and Kelley again advanced him to second with a clean single to right. This time Carrigan was there with the goods, sending a grasscutter past third for two bases, scoring Phyle and sending Kelley to third. Flynn could not get on. In the fifth Thoney hit a two-bagger to the left fence, and Schafly waited for four, wide ones. Phyle hit a high fly to right. Kelley followed with a grounder to third. Thoney waited for the throw to first and then dug for home, beating the return to the plate. Carrigan's single scored up, but the locals' hits came in most op-

Montreal got men on in the first, second and third, but could not score. In the fifth they put Applegate in a tight place for awhile. Corcoran led off with a nice hit, and Shean trotted to first on a charity. McManus shot a grounder to Phyle, who attempted to tag Corcoran but the latter ran wide and Phyle threw to first. The umpire called Corcoran safe, at which the Torontos made a great kick, and the umpire tried to square him-

kick, and the umpire tried to square him-self by calling McManus out at first. The latter then raised a rumpus, claiming he beat the throw a block, and he was so persistently abusive that he was ordered off the grounds. Applegate relieved the situation somewhat by striking out Stanley, but thought it best to give a free ticket to Joyce, filling the bases. He then retired the side by striking out Brockett. Montreal had men on bases in the sixth, seventh and ninth, but Applegate was never after in serious trouplegate was never after in serious trou-

morning.

The breeze was about ten miles, and more suitable to Adele than Crusader. The first race was around a triangle, about seven miles in all. Adele gained over a minute on the first leg to windward. On the second, a close reach, they were even, and on the broad reach Crusader ader gained only a few seconds.

The judges ordered the racers two and a third miles to windward and return, and this also resulted in formational cleven. The committee has appointed F. C. Evans to succeed to the captaincy, while F. W. Terry will keep wickets. The vacancy will be filled by Collingwood Rooker Wins at Erie.

# SONOMA GIRL WINS 2.15 TROT GRAND CIRCUIT AT CLEVELAND

Highball Lame---Geers is First in 2.05 Pace With Ardelle -- Five Beat Toronto Club Team in Four Ball Races on To-day's Card.

CLEVELAND, July 3:.- The contest resulted in a surprise, the Rosedale team Highball in the 2.15 trotting event, which set for to-day between Sonoma Girl and romised a breaking of records, drew to the Grand Circuit meet the largest principally due to the effective trundling of Wookey and Reid, especially the former, who took 12 wickets in the two irnings for 24 runs, six for nine in the first and six for 15 in the second. Reid's analysis was 3 for 12 and 4 for 19. Besides this pair came off at the bat, getling well into double forms. The victory was that has witnessed the light-harness trotting at the Glenville Oval in many years. Unfortunately Highball was lame and had to be withdrawn. As a result, Sonoma Girl obtained a hollow victory, there being no other starters which could force her to her usual speed, much less a better record. She jogged around the track and first under the wire in three straights. Her best time crowd that has witnessed the light-har-

wire in three straights. Her best time was 2.06%.

Genteel H., a Buffalo ertry, took second money, and Claty Latis third. Thornway was the only favorite of the day to lose. Alice Pointer, the second choice, won the first race of the day, the 2.11 pace. She turned the trick in straight heats, winning easily. Second money went to Thornway. The best time, 2.05%, is a new record for Alice Pointer.

Ed Geens, who drew the distance flag three times Tuesday, won the third race, the 2.05 pace, to-day with Ardelle, the Memphis pacer, which von the Chamber of Commerce Stake in 1906. The mare won handily.

In the 2.09 trot, the feature was the reappearance of John Splan, the veteran reinsman. on the Grand Circuit. He drove Bi-Flora, which finished fifth in each heat. The track was in excellent condition.
