MEDICAL DEPARTMENT, U. S. BONDED WAREHOUSE,
R. R. R. LABORATORY, 87 Maiden Lane, N. Y. }

In my official capacity of United States Storekeeper of the medical Bonded Warehouse at the Laboratory of Dr. Radway & Co., 87 Maiden Lane, New York, I certify that the ingredients used in the formation of the remedies known as Radway's Ready Relief, Renovating Resolvent, and Regulating Pills, prepared under my inspection, have been carefully examined by me, and I find them to be of great purity and virtue as remedial agents; and that in my opinion the process of the pharmaceutical combination of their several ingredients, as prepared by Dr. Radway, secures a more perfect compound than could be obtained were the formula of same prepared or made up by the best pharmacists in this city or elsewhere. (Signed.)

November 21, 1867.

A. D. OLMSTED, M. D.

R. R. R. PILLS.

Purgation made Perfect in Dr. Radway's Pills. Uniformity and Safety of Action Secured.

PERFECT DIGESTION

will be accomplished by taking one of Radway's Pills every morning, about ten o'clock, as a dinner pill. By so doing, Dyspepsia, Headache, Foul Stomach, Biliousness will be avoided, and the food that is eaten contribute its nourishing properties for the support of the natural waste and decay of the body.

Imperfect digestion frequently occurs when the bowels are regular; the constituents of solids that are not absorbed in circulation, from imperfect digestion, are frequently directed to the kidneys for their escape. In such cases serious damage is done to the kidneys, as the urine secreted from imperfectly digested substances or food, or those constituents not secreted by the liver or gall duct, establishes a foreign secretion in the form of albumen, sugar, urea, uric acid, causing Bright's Disease, Diabetes, Dropsy, Renal Diseases of the Kidneys, Congestion, Degeneration, Ulceration, Gravel, Bloody Urine, etc. To prevent these serious and often fatal difficulties, take one of Radway's Pills every morning, two hours before dinner.

Imperfect digestion may be known by a capricious appetite, craving for food, great thirst, dryness in the mouth, dry skin, hot, fetid breath, restlessness, acidity, heartburn, swellings in the abdomen, chest, legs, cold feet, frequent desire to urinate, varied color of urine, etc. Where these symptoms are present, the SARSAPARILLIAN should be taken three times per day, and the Pills one to six, as the case may require. As soon as digestion becomes perfect, these unfavorable symptoms will disappear.

Important Benefit to all who have to use Pills or Purgative Medicine secured by Radway's Pills, that no other Pills or Purgative Medicine secures.

1st. No straining when at stool. If these Pills are taken in purgative doses, they secure a free and easy passage, without cramping or straining. In cases of Piles, Kidney Complaints, Inflammation or Irritation of the Bladder or Womb, in Uterine Difficulties, Tumors, Ulcers, Leucorrhoea, and in cases where there is weakness in the secreting vessels of the genital glands, Spermatorrhoea, Involuntary Emissions, loss of vital fluid, and in all cases of calculous concretions, stone in the bladder, or gall stones, straining is hurtful. Radway's Pills secure a free discharge without straining.

2d. After the first few doses the patient will feel that these Pills impart increasing strength, not only to the general system, but to the impaired organs of nutrition—the gastric, nervous and bilious system, the liver, bowels, kidneys, pancreas. They strengthen the diseased part, and heal all excoriated surfaces, or ulcers and sores in the intestines.

3d. They can be taken day after day without injury. No injurious results will occur from change of temperature—wet or cold—under the influence of these Pills.

4th. As soon as Radway's Pills are swallowed, their influence is felt, as they at once commence their work of altering the condition of the secretions, and in due time they secure an expulsion of the humors that cause the disease.

Salmon trout, boiled or fried, digests in one hour and thirty minutes.

In the morning, diseases are generally more remiss.

Codfish, dry, boiled, digests in two hours.
