FUR-STEALERS SENTENCED

Jacob and Simon Gebritski Given Seven

and Five Years. Chatham, Aug. 27.—Sentences were handed out Saturday, when Judge Bell gave the prisoners, Jacob and Simon London, Aug. 27. - An interesting Gebritski, seven and five years in the penitentiary respectively for bringing stolen goods into Canada and for re-

Defendants' counsel, argued that, as the family of the elder prisoner was in Disziness, No great need of what help they could get from the sons, and that Simon, if concerned, had only been so from which border the roadway, separating probably was one pro should be light.

His honor, however, could not see it that way, and after administering a severe talking to the two, gave out his sentences.

When she had left the room after the conclusion of the trial, which has dragged along for some time, Mrs. at Stolypin's courage, silently slunk Gebritski, the wife of the elder and Samuel, the other son, having ex-The Daily Telegraph's St. Petersburg pressed his willingness to return to rage, says: "No political reforms can New York City and face the charges heal the present moral gangrene which there, the metropolitan police repreis eating away the soul of the nation. sentatives who were here took him east

Political motives play hardly any part this afternoon. manity are now struggling for the up- almost hostility, excited among the per hand and the chances are on the various persons concerned in the capside of bestiality. Eat What You Like

Don't Starve or Diet, But Use Mio na. and Cure Your Stomach

Troubles. The average treatment of stomach troubles consists of a rigid diet list, which often half starves the patient. Of course it would be foolish for anyone who knows that some foods are positively harmful and poisonous to continue eating them, even while following the Mi-o-na treatment, but in ordinary cases of stomach troubles it is not necessary to starve or diet if Mi-o-na is faithfully used, a tablet be-

fore each meal. This scientific remedy for the curs of stomach troubles, acts upon the whole digestive system, and strengthens the organs so that they are able to digest any food that is eaten with-
