Are Read.

the crown at the trial of 18-year-old Mabel Allen, which was opened at the sessions yesterday morning. The girl is charged with setting fire to ing the opportunity of the present the barns owned by the mother of shut down to instal some new and Jacob Hopkins, a middle-aged farmer at Mount Albert, Feb. 14. The jury are: Arthur W. Farr, farmer, Vaughan; William Ireland, tanner, New-market; Albert Ballard, farmer, King; George Hodgson, farmer, East William Preston, farmer, West Whitchurch; John B. Calder, merchant, 191 Ossington-avenue, To-ronto; John Bailey, carpenter, To-

ronto; Jonathan Webb, farmer, Holland Landing; Frank Stonehouse, farmer, West Gwillimbury; George Tappin, farmer, East York; Charles A. Fry, farmer, King; Lancelot J. Bland, builder, Toronto.

Three men were challenged by the defence. C. R. Fitch is acting as counsel for Mabel Allen.

Crown Attorney Drayton outlined

servant in his home.

As a witness yesterday he said that the girl and himself were on very friendly terms, and that he knew of no reason why she should set fire to the barns. He denied that he had promised marriage, "for," he said, "I had a wife and I had no divorce, But I advised her to marry a man named

Then Mr. Fitch read letters from Hopkins to Mabel Allen. He said he read parts only, because they were not fit to be read in their entirety.

He called the girl "my own," "dear loving friend," and similar terms of endearment. In one letter he said: "I have given up all other girls for you," and, "I want to be with you till death do us part."

you," and, "I want death do us part." In another letter he sent the girl a matrimonial advertisement, "in order to get her a husband," it said.

Hopkins admitted that he was not

saw the girl take aqua fortis to pour it upon certain pills which her son was in the habit of taking. Mrs. Allen, mother of the girl, and 9-year-old Minnie Moore, also gave

liminary trial. MEN REFUSED TO WORK.

ing and fuel, and 23 with food and cellent advertisement of her device. It is one of the rostest and happiest of best in the rostest and happiest of babies, and its little body is delightfamilies received relief, which as yet,

This baby's daytime attire con of three pieces, its night attire of two. And all these garments are cut from one pattern, a pattern which is a sort of modication of the kimono style. The mother chose this style, first because it is loose and simple, second because it almost does away with seams and seams are so hard on baby's ten der skin. The single seam in this ki mono pattern, which comes under the arms, is flattened, and in the garment worn next baby's skin is made on the

right side.
The undergarments are made of the finest, softest flannels that can be ob-tained. The first piece is made with long sleeves; the second is a duplicate of the first, but without the sleeves. The little dress or slip is just like the undergarments—with the sleeves—but is made of some pretty soft white ma-terial, and the neck and sleeves are edged with fine lace or embroidery. There is no unnecessary trimming, however, to add to the weight and

addresses will be det St. Clements' Church to
and others every Wednesand others every Wednesbaby's feet. Instead, the garments are

enough to be burdensome.

And these three little garments are putting them on. In that way the ceremony of dressing is over in a min ute, and the baby's little body and temper are spared all unnecessary wear

and tear. Four sets of undergarments and eight little dresses made after this fashion are enough to keep a baby sweet and clean. No more inexpensive outfit could be imagined. There are few mothers who could not get the material for these simple little garments, and few so inexperienced with the needle that they could not cut and fashion
