

## Dr. Thomas' Eclectic Oil.

THE people of this country have spoken: They declare, by their patronage of DR. THOMAS' ECLECTRIC OIL, that they believe it to be an article of genuine merit. Testimonials constantly pour in demonstrating its superlative efficacy, in a manner as pleasing to its proprietors as it must be convincing to those who read in the public prints those evidences of its popularity and genuine worth. Never was there a remedy which received ampler or more satisfactory endorsement; never was there one which better deserved it. IT IS A TRIED REMEDY. Experience has demonstrated that it *not only relieves but eradicates* the most obstinate coughs, sore throat of a malignant type, catarrh of long standing, rheumatism, neuralgia, stiffness and lameness of back, muscles and joints, piles and kidney troubles, external hurts and sores, and other bodily troubles, as well as many of the disorders peculiar to horses and cattle. That it cures *in every instance* is not pretended, but that, if systematically used, and the malady susceptible of being remedied *it will remedy it*, is a fact amply established.

Entering the system through the pores, when applied externally to relieve pain and inflammation, DR. THOMAS' ECLECTRIC OIL relaxes and soothes the stiffened, swollen and irritated ligaments, or rheumatic joints, and promptly checks the pain. Taken internally, it remedies disorders of the respiratory organs, bowels, liver and kidneys.

This matchless compound not only possesses remedial efficacy of the highest order, but, inasmuch as it contains no alcohol, its influence is not weakened by evaporation, which is the case with a great many oils of doubtful efficacy, which have an alcoholic basis.

Ease by day and repose by night are enjoyed by those who are wise enough to apply DR. THOMAS' ECLECTRIC OIL to their aching muscles and joints. A quantity easily held in the palm of the hand is often enough to relieve the most exquisite pain.

Those of the gentler sex who have experienced the pain and annoyance caused by excoriated nipples and inflamed breasts, can well appreciate the value of a remedy which removes the trouble. This is precisely what DR. THOMAS' ECLECTRIC OIL does.

When a child is suddenly attacked and threatened with suffocation by croup, DR. THOMAS' ECLECTRIC OIL is precisely the medicine for the emergency, since it is prompt as well as efficient. Every household should be provided with it, as it is a quick antidote to pain, as well as a specific for the above and other complaints.

Just think of it—you can relieve the twinges of rheumatism, or the most painful attack of neuralgia—you can check a cough, and heal bruised or broken skin, with a bottle of Dr. Thomas' Eclectic Oil, costing only 25 cents.
