The annual fair of the Loch Lomond and Simonds Agricultural Society, which was held yesterday at Loch Lomond, was a great success.

**THE CARLETON BAND
AT EVERY DAY CLUB**

Excellent Programme Given
Last Evening—Address by
Mayor Sears.

The Carleton Cornet Band played a fine concert programme in the Every Day Club hall last evening and received hearty applause from the large number of men present. The programme included solos by Messrs. Lanyon and Frank Belyea, with band accompaniment, and these were particularly pleasing to the audience.

The president of the club told of its objects, and invited the men present to send in their names to the membership committee, that they might become members of the club.

Mayor Sears delivered an admirable address, dealing with the sadder aspects of human life, the hardship and suffering, the neglect, the need of sympathy and helpful service, and the opportunity such an institution as the Every Day Club afforded men to benefit themselves and help others.

His worship observed that he was not there to preach a sermon, but to endeavor to impress upon the minds of his hearers the fact that there is no middle ground in social life. A man of influence and example are helpful or hurtful, and a little heart-searching is not unprofitable. He hoped the men would make the Every Day Club a means of doing good to themselves and to others.

Tomorrow evening there will be a musical programme, vocal and instrumental, and Dr. T. D. Walker will give an interesting talk.

**NOT CONFINED
TO ST. JOHN**

**Light-Weight Butter is Being
Sold in Toronto and Will be
Seized—Bread Also.**

(Toronto Star)

Dr. Sheard, the medical officer of Toronto, has received a large number of complaints about short-weight butter in his district, and he has instructed Inspectors A. W. to make a careful inspection and seize all butter that he finds under weight.

It has also come to the attention of the Medical Health Officer that several of the bakers are careless in placing tickets on their bread, certifying to the weight of the loaves. In some cases the label is pasted on the loaf with the printed matter towards the consumer to tell the weight of the loaf. To meet this difficulty, Dr. Sheard has advised the city council to secure legislation to abolish the label privilege.

Dr. Sheard thinks the council should be a standard loaf of two pounds.

Mrs. P. J. Donohue acted as matron of honor. After the ceremony there was a wedding breakfast at the home of the bride. There were many beautiful and useful presents, among them cheques from the bride's and groom's father. The groom's present was a purse of gold. The happy couple left for the steamer Calvin Austin for Boston and vicinity, and on their return will reside at 118 St. James street.
