HON. MR. KING SPEAKS AGAINST E. W. NESBIT

1917, is now running as a supporter of Rt. Hon. Arthur Meighen's tariff policy, and J. H. Lillico is the candidate in the Progressive interests. An over-flow meeting was held in the city hall. Mr. King referred to the fact that he had spoken in Woodstock in behalf of Mr. Nesbitt, "when that gentleman was a Liberal," but that Mr. Nesbitt appear-ed to have undergone a change of heart since then

"Mr. Meighen and his colleagues have absolutely stolen the people's right of representation. If Mr. Meighen in 1917 intended to hang onto office after the wer, then he deliberately misled the people at that time," said Mr. King.

The Progressives, said Mr. King. Objected to a Liberal opposing Hon. T. A. Crerar in Marquette, while they applauded R. W. E. Barnaby for opposing Hon. Mr. King in North York. That did not look like co-operation.

Referring to the Riordon tax question, Mr. King declared parliament had not given the minister of finance the right to accept promissory notes from anyone. Only parliament could give this power.

Ottawa, Nov. 28—Right Hon. Arthur Meighen returned to the capital this morning after his western tour. Mr. Meighen attended a meeting of cabinet council at noon and left for Pembroke this afternoon.

this afternoon.

The prime minister issued the following statement:

"I found the people of western Canada interested almost exclusively in two subjets—grain marketing and the tariff. On the grain marketing question, every kind of manoeuvre was being resorted to to divert the attention of the farmers from the government's definite and ordinarily most acceptable plan. Reports from all parts indicated that the farmers were finding Dominion waterproof garments at their salesroom, 45 Princess street.

Mr. John Woodward, P.T.O., Lucan, Ont., writes:

"It gives me much pleasure to recom-mend Dr. Chase's medicines, especially the Nerve Food. I was a sufferer from the Nerve Food. I was a sufferer from neuritis for several years, and tried all kinds of remedies, yet never seemed to get any better. At last my nerves and whole system seemed to give way through not being able to get any rest or sleep at nights for pain, which mostly used to take me in all parts of the limbs and feet. My nerves would twitch till my whole body would seem to jerk right up as I lay in bed. Almost at the point of despair, I decided I would get Dr. Chase's Nerve Food, which I did, and after taking twenty boxes I believe myself almost normal again. I also keep a box of Dr. Chase's Kidney-Liver Pills on hand, and for the past year I seem to enjoy my usual health."
