LAMBERT TODD A GREAT RACER

Story of Horse Which Figured in Yesterday's Event on Fredericton Track.

Fredericton, N. B., Aug. 4.—Lambert Todd, 2.10 1/4, sensational green pacer, which won the 2.15 trot and pace yesterday in faster time than the free-for-allers have been making, is Canadian bred and Canadian owner. His owner is Wm. Wright of Sherbrooke, Que.

Mr. Wright became the owner of Lambert Todd in the fall of 1920, getting him at Three Rivers, Que., by giving a horse which cost him \$360 and something like \$600 to boot. He started him once that fall, and in the spring of 1921 sent him to Mr. Dutton at Barton with instructions to give the pacer a real test. By June Lambert Todd showed a mile in 2.08 3/4, and was later sent to Reading, Mass., for some further tests. There Fred Edman drove Lambert Todd two miles, in 2.06 and in 2.05 1/4, with the last half in 59 1/2 seconds, and the final eighth in four seconds. Mr. Wright was swamped with offers to buy his pacer. He said yesterday: "I was offered \$8,000, but I refused it. I am a Canadian, and I am proud to be the owner of a Canadian-bred pacer like Lambert Todd."

Lambert Todd's engagements are worth \$12,000, and if he keeps on showing as well as he looks somebody will want him for the 1923 Circuit next year. He is by Jim Todd, and his dam was Grace Lambert, by Ora Lambert. Roy Volo, 2.08 3/4, and Calgary, 2.02 1/4, were about even first choices in the auction polls for the free-for-all today. There were three other starters. The 2.21 trot and pace was won by the former with six and the latter with nine starters, completed the getaway card.

A heavy shower soon after midnight was followed by another a little after daylight, and the weather was damp and muggy, but it was declared that a few hours of bright sunlight would make the track lightning fast.

HALIFAX ENTRY FOR RENFORTH RACE

John Power to Try for the Ross Cup in Regatta on the Kennebecasis.

John Power, of the St. Mary's Rowing Club, Halifax, has entered as a contestant for the Ross Memorial cup race at the Rensforth regatta. Larry Connell and George Power, of Halifax, may also enter for this event. The cup was defended by Harry Giggley, of Millidgeville who captured it last year. The Millidgeville club is expected to enter a boys four-oared crew and possibly a junior four. Carl Walker, of Fredericton, has expressed his intention of entering the junior singles. George Burton, local swimmer, is entered for the men's swimming and diving races. The Rensforth Athletic and Outing Association will have boys' junior and senior four-oared crews as well as some single entries. It is hoped that the St. John Rowing club will be able to get together a senior four-oared crew for the Fulton cup competition.

TRAFFIC CASES.

Several reports for speeding in Douglas avenue made by Policeman McPherson, a plainclothesman, were dealt with in the police court this morning. Dr. Francis Almsworth was fined \$10 for speeding and failing to sound his horn at the corner of Bentley street. The doctor said he was always very careful about blowing his horns and that he did not think his speed was excessive although he admitted going more than twelve miles an hour.

H. E. Hoyt was charged with speeding in the avenue and said that he might have been exceeding the limit but that he had had some trouble with the carburetor and was temporarily unable to control the speed. His explanation was accepted.

John A. Doherty and Samuel Irons were each fined \$10 for speeding in the avenue.

William R. Scott was reported by Sergeant Rankine for making the wrong turn at the corner of Main and Adelaide streets. Mr. Scott said he would enter a technical plea of guilty but that there were extenuating circumstances. He had been going only about five miles an hour. The magistrate imposed a fine of \$10.

A case against James Gilchrist, charged with parking his car in a prohibited place in Market square, was not proceeded with as Mr. Gilchrist explained the circumstances, promising to respect the law in future.

Otto Lingley was fined \$2 this morning for allowing two of his horses to run at large in Second street.

FORMERLY OF MONCTON.

Widow of Prof. H. C. Dore Dead in Montreal in 81st Year.
Montreal, Aug. 4.—Mrs. Sarah Jane Anderson, widow of Prof. H. C. Dore, mother of Prof. Victor Dore, and mother-in-law of Alderman H. A. Quintal, died here yesterday. She was in her eighty-first year, and died at the Hospice Gamelin, where she had occupied rooms for a number of years. Mrs. Dore was a native of Moncton. She was the daughter of Prof. Thomas Moore Anderson and his wife, Margaret Agnew, daughter of Sir Andrew Agnew, baronet, of Lochmaw. She is survived by two sons, two daughters, thirty-two grandchildren and one great grandchild.

SEND AWAY SOME 1800 TO FIELDS OF WEST

Harvesters Poured Into City Today—Four Trains Leaving Here.

Last evening's C. N. R. trains, and No. 9 this morning brought in about 725 harvesters, and the steamer Empress brought about 125 from across the border. Among the latter contingent was a party of twenty young Cape Bretoners making the trip to the harvest fields as well as seeing all the country possible en route. They came to the city via Truro, Dominion Atlantic and the Empress. They are a party of sturdy young fellows, and made a great impression as they walked about the streets this morning. It is expected that the eastern trains will bring in a large number more from Nova Scotia and Prince Edward Island, so that the four trains leaving over the Canadian Pacific this evening will carry full cargoes. The trains will leave at 8.30, 6.30, 7 and 9 o'clock, eastern standard time, which will mean two hours later by city time. From the estimates available at C. P. R. headquarters at noon, it is expected that the total numbers leaving over the C. P. R. will easily exceed 1,800.

At the district passengers agent's office this morning it was announced that the company are making the same arrangements for handling the excursions as were in effect for the last decade. From figures available this afternoon it was thought that the total number leaving from St. John city itself will be about 850, and the total number from the province from 800 to 1,000. Both systems expected to take a large number from the valley and the Canadian National had many booked along North Shore points.

The excursionists taking the C. N. R. trip from St. John will be sent out in extra cars attached to the regular Valley train this afternoon at 6.40 o'clock (daylight time) and these cars will be attached at McGivney Junction to the special C. N. R. excursion train from Moncton. From McGivney Junction the train will go right through to Winnipeg. About 150 or 200 were expected to leave the city this afternoon on this excursion.

The train arriving at 7.05 o'clock this morning from the east brought in about 200 harvesters and more than this number were expected in this afternoon. The Digby boat this afternoon is expected to carry a large number.

Between 100 and 170 men bought tickets at the local C. P. R. office before noon today and a great many more were expected this afternoon although it was said that the St. John city would not be so large as last year when there were 675 ticketed for the city.

The C. N. R. police force are handling the crowds at the depot in masterly fashion. An unpleasant feature was the reported presence of several bootleggers, and some of the men seemed to have imbibed their product with evil results.

The checking office was rushed to capacity all day, and the line of trunks, bags and suitcases stretched far down the train shed. Restaurants near the station did a rushing business. A small number of women are making the trip. They will have special provisions made for their comfort while en route. Royal Canadian Mounted police will be on each special to see that order is kept.

ALBERT COUNTY LEADS THE WAY

Albert county is the first of the objecting counties to come across with the money due on public health account. Word has been received that the secretary-treasurer of the municipality has paid to H. B. Cowan, secretary of the Health, \$3,908.26, made up of \$1,872.46, for 1920, with interest amounting to \$68.80, and \$1,990 for 1921.

TWO PASSENGERS FOR ST. JOHN

Mrs. S. Alward and H. C. Alward Cross on S. S. Empress of France—English Teachers Arrive.

Quebec, Que. Aug. 4.—The Canadian Pacific 18,900 ton steamer Empress of France, Captain E. Griffiths, R. N. R., from Hamburg, Cherbourg and Southampton, arrived here yesterday afternoon, at 1.45 o'clock, with 558 passengers, 2,400 bags of mail, and 450 tons of cargo principally from Hamburg. Among the saloon passengers, including many Americans, were Mrs. S. Alward, and H. C. Alward, of St. John, His Grace the Bishop of Three Rivers, and Mr. H. Cloutier, Montreal.

The passengers were charmed with two little French Canadian girls, Miss C. and Miss B. de La Perriere, of Tremblay, Que., who went over one year ago to study English in an English convent, and who were the delight of the ship on the trip across. They gave recitations from Shakespeare, which delighted all.

Four young British school teachers connected with the league of British Empire came to Canada, under the auspices of the London county council, to pass six months teaching in Canada. They are Miss M. Bain, Miss I. Cane, Miss Holloway, and Miss J. B. McNaughton. One will stay in Montreal and the other three will go to Toronto. Miss Bain said they were the vanguard of fifty lady school teachers, who were coming to Canada to teach in Canadian schools, especially Ontario and the West, to gain knowledge of the Canadian educational system, as well as the country and Canadian people during their stay in Canada, would be in touch with the daughters of the Empire. The British teachers will be replaced in England, by a similar number of teachers from Canada, as last year.

The Canadian Pacific 17,000 tons steamer Empress of India left Quebec at 4 o'clock yesterday on schedule time, for Cherbourg and Southampton with a full list of passengers, mail and cargo.
