Local Boys Do Well.
According to an account of the inter-city championship skating races held in Moncton Thursday evening, which was published in yesterday's issue of the Moncton Times, Charles Gorman of this city made an exceptionally good showing. He won the 220 yards open, the half-mile, the hurdle race and led the field in the 440 yards, but was set back to second place for an alleged foul on Frank Garnett. In the special race between Gorman and Garnett the former fell twice. The article says that a feature event was an exhibition race between Fred Logan and his son Willie. The latter was adjudged a winner even though he had to "cut the corners" to do so. The meet was said to be a grand success.

Boys who accompanied the skaters to

Moncton say that Frank Garnett also skated well and showed a fine burst of speed. They explained that in the special race the skaters went two laps and not 220 yards, and that was the reason the time was twenty-six seconds.
