#### READY FOR STRIKE

Paris, May 9—The Federation of Telegraph, Telephone and Post Office workers, at a mass meeting held today for the purpose of discussing means to support the workers now on strike, adopted an order of the day declaring their readiness to respond to a strike order in sympathy with the railroad men if the Federation of Labor, should request their co-operation.

#### Chain-Strap Hats.

London, Eng., May 10—Fashion in woman's hats has gone back this spring to one of the modes of past years, reviving the chin-strap, which used to be of practical value before the days of hatpins. But instead of a band passed in close contact with the chin, it falls far beneath it, and the strands of metallic tissue, velvet or silk that form the halter are decorated with knots of fruit and flowers.

#### Wanted to Tip the Dean.

Nottingham, Eng., May 10—The Dean of Lincoln recited an amusing incident which occurred when he was talking a party of visitors through the cathedral. One of the party insisted on giving him 12 cents. The dean told him he did not need it, and the man replied: "Well, buy yourself a drink and a cigar." "I am a teetotaler and a non-smoker," added the dean.

#### Admit Illiterate Girl.

New York, May 10—An exception to the immigration laws which forbids the admission of illiterates was made to permit Miss Salimi Rameh, of French Syria, to enter the country, on the ground that she was a victim of religious persecution and should be exempt.

#### House for 10,000 Tenants.

London, Eng., May 10—During a debate on the subject, "That London Should Stretch Up, Not Out," Sir Martin Conway pictured a building the size of parliament being fitted with co-operative stores, schools, places of amusement and everything needed for the comfort and convenience of 10,000 tenants.

### One Great Essential To a Woman's Health Is Her Nerves

Nature intended women to be strong, healthy and happy as the day is long, instead of being sick and wretched. But how can any woman be healthy and happy when the whole nervous system is unstrung. The trouble is they pay more attention to their social and household duties than they do to their health.

Is it any wonder then that they become irritable and nervous, have hot flushes, faint and dizzy spells, smothering and sinking spells, become weak and nervous, and everything in life becomes dark and gloomy?

Milburn's Heart and Nerve Pills are the very remedy that nervous, tired-out, weary women need to restore them to the blessings of good health.

When I was on my second box of Milburn's Heart and Nerve Pills I began to feel better and kept on until I used six boxes when I felt like a different person. I am never without them in the house and recommend them to all who suffer with their nerves."

Price 60c a box at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

Stop Boat Passes to Women. New York, May 10—Collector of the Port Newton has revoked passes to women reporters, most of them from fashion trade papers. The passes permitted them to go down the bay and board liners. Officials feared the women might fall from the boarding ladders used to scale the steep sides of the litters from the revenue cutters. The women are indignant.

A Shock in Frock. Brussels, Belgium, May 10—A young and good-looking girl created considerable surprise by appearing on the boulevards in midday in a sweater, loosely knitted in khaki wool, which fell straight from the neck to the feet. No one knew whether it looked more like a nightgown or a shroud. The fashion has not spread.

Buyers Town for Million. Cardiff, Wales, May 10—Major H. J. P. Thomas has bought the town of Milford Haven. It cost him \$1,000,000. By his purchase Major Thomas becomes owner of 1,000 houses, the lord of the manors, and the owner of Castle Hill Mansion House, and the market tolls of the rising port of Milford.
