FIK & WOODRUFF'S AUTOMATIC GAS-SAVING GOVERNOR,

Patented 28th November, 1877.

GEO. S. WOODRUFF, Proprietor and Manufacturer.

OFFICE, 33 KING ST. EAST, Toronto. Ont.

This Governor was introduced into Canada in Nov., 1877 and 1000 have been sold in Toronto and towns West, since then. In Toronto 500 machines are at work, and saving from 20 to 60 per cent. (Send for references.)

Agents wanted in all Gas Towns. Send for Reference Books and see what 500 consumers have done. GEO. S. WOODRUFF, Patentee.

No Water, Gasoline or Naptha used in this Machine, it being merely a dry Automatic Valve and once adjusted needs no attention, and actually reduces gas bills 20 to 60 per cent. All blowing and wasting of Gas stopped. Lights kept steady—never gets out of order—save their cost once to eight times a year, according to quantity used, and are guaranteed for TEN YEARS.
