DR. MORSE'S INDIAN ROOT PHILS.

D. R. MORSE, the inventor of MORSE's INDIAN ROOT PILLS, has real the greater per of his life in travel ing, her ing visited Europe, Asia, and Africa, as well among the Indian sofour Western country—it was in the way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all discovers arise from 1MPURITY OF THE EMAINING in the Post Cffice, St. Andrews Auderson, Thomas M'Carthey, Timothy Craig, Samuel M'Neil, Charles M-Neil, Gharles Mehoney, William Milligan, John Neill, Mary O'llate, John

When the various passages become eleged and do not act in private harmony with the United and do not act in private harmony with the United and distributed are deprived and distributed are compared and distributed are deprived of state and consequences of the book will be come cheked and cease to act, and thus our light of file will be forever blown out. How important then that we should keep the various passages of the body free and open. GEO F. CAMPBELL P. M. various passages of the body free and open.

And how pleasant to us that we have it in 100 do And how pleasant to us that we have it in our power to put a medicine in your reach, and power to put a medicine in your reach, and the power to put a medicine in your reach, and the mountanions cliffs in Nature's garden, for the health and recovery of diseased dean. One of the roots from which hese Pills are made is a Sudander, which opens he pares of the skip, and assists nature in throwing out the fiber parts control in with in. The second is a plant which is an Expectorant, that opens and unclogs the part of the subscription monoctorant, that opens and unclogs the part of the subscription monoctorant, that opens and unclogs the part of the subscription monoctorant, that opens and unclogs the part of the subscription monoctorant, that opens and unclogs the part of the subscription monoctorant, that opens and unclogs the part of the subscription monoctorant, that opens are successed as the subscription monoctorant is an expectation.

in. The second is a plant which is an £xpectorant, that opens and unclogs the passages to the lungs, and thus, in a soothing
manner, performs its duty by throwing oil
phlegm, and other humbrs from the lungs,
which gives ease and double strength to the
kidneys; thus encouraged they draw large kidneys; thus encouraged they draw large 48 and 49 Moffat Building, 335 Broadway N. York amounts of impurity from the blood which which will be sold extremely low.

Which will be sold extremely low.

British House.

DENNIS BRADLEY.

St. Andrews, January 2, 1858.

Amounts of impurity from the blood of which we are determined to do.

St. Andrews, January 2, 1858.

Amounts of impurity from the blood on the blood of the could not be discharged in any other way. The fourth is a Cannot pass by the other properties of impurity which cannot pass by the other outlets are up and conveyed off in greating the blood; the canter pass by the other outlets are up and conveyed off in greating the bowels.

From the above, it is shown that Dr. Morse's Indian Roof Pills not only enter the stomach, but become united with the blood for they find way to every part, and completely route

St. Andrews, Feb. 2, N658.

find way to every part, and completely route out and cleanse he system from all impurity and the life of the body, which is the blood; becomes perfectly healthy; consequently all

of the office in the event of omission to pay the premium.

A share of profits of the business is allocated every year to all participating policy holders of Save years studying, and is applied in reducing their flext epremiums. A large reduction of the premiums is thereby effected. The association has allocated profits at thirteen successive annual periods, and the annual returns of profits. So putes where the principles for 1858, and as a Premium, the policy holders are required to pay only 13a. The rates of premium are moderated, and unsite the time of participating in the profits, a policy with the policy holders are required to pay only 15a. The rates of premium are moderated, and unsite the time of participating in the profits, a policy with the first first premium, the same policy holders are required to pay only 15a. The rates of premium are moderated, and unsite the time of participating in the profits, a policy with the policy holder policy and the sounder saw the belief for £1000 sterling or nulwards, need by only one half of the abronal premium, the same policy holder passes.

The rates of premium are moderated, and unsite the time of participating in the profits, a policy with the profits, a policy with the policy holder places.

The rates of premium are moderated, and unsite the profits of £1556, may be regarded nearly as the policy holder places.

The rates of premium are moderated, and unsite the profits of £1556 may be regarded nearly as the policy holder places.

The rates of premium are moderated, and unsite the same of participating in the profits, a policy with the profits, a policy with the same of participating in the profits, a policy with the same of participating in the profits, a policy with the same of participating in the profits, a policy with the policy holder places.

The rates of premium the abronal premium, the abronal premium, the abronal premium, the same of participating in the profits, a policy holder places.

The policy holder places are required to pay only 15a. The subsc have added to themselves victory upon vicing health and happiness. Yea, thousands who have been racked or tormented with sickness, pain anguish, and whose feeble frame has been acordned by the burning elements of raging fever and who have been brought, as it were within a step of the silent grave, now stand ready to testily that they would have been numbered with the dead, had it not been for this good and wonderful-medicine. Morse's Indian Root Pills. After one or two doses had been taken, they were astonished and absorely surprised, in witnessing their charming ease and strength, and take away all s ckness, pain and anguish but they at once go to work at the Jounda ion of the disease which is the blood. Therefore, it will be shewn, especially by those who use these Pills, that has well as allowed by the dollars the dollars there are the property of the dollars that active agents can make from one dellar to five dollars thear of expenses. and carefully selected stock of BOOKS, SIATIONERY, AND FANCY GOODS, all of which will be sold at the very lowest prices. The following comprises the leading Articles of especially by those who use these Pills, that hey will so cleanse and putify that disease that deadly enemy—will take its flight added by enemy—will take its flight and the flush of youth and beauty will again return, and the prospect of a long and happy.
