

DROPS DEAD IN STREET AT VANCOUVER

J. W. Hand, Well Known Real Estate Broker, Dies Suddenly.

Vancouver, June 28.—While walking down Fourth avenue west Saturday afternoon, J. W. Hand, a local real estate dealer, suddenly dropped dead on the sidewalk. The only person who noticed his collapse was a teamster named W. Sims, who immediately summoned aid. Dr. Graham was called and examined the body, finding no external injuries. The cause of death was still a mystery. The deceased was returning home from his office for the evening. The sad occurrence happened at 4.45 o'clock in front of the 2400 Block on Fourth avenue west. It is presumed that the deceased was returning home from his office for the evening. The late Mr. Hand leaves a wife and four children, living at 1415 Seventh avenue west. He was a well-known business man in the city, having resided here for some years. His office is at 311 Homer street.

IF YOU RID POISONS FROM THE BLOOD

By Awakening the Liver and Kidneys You Will Be Freed of Pains, Aches and the Tired Spring Feeling.

Poisons only accumulate in the blood. Pain and aches have the same cause. Poisons only accumulate in the blood when the liver and kidneys get torpid and slow in action and when, as a result, the bowels become constipated.

Get the liver and kidneys working right and away the poisons that are in their work, to rid the blood of poisons. When they fail because of the excessive accumulation of poisons in the spring, use Dr. Chase's Kidney-Liver Pills and they will soon reawaken their natural functions with renewed energy and vigor.

No other organs of the body can filter the poisons from the blood, so you must get the liver and kidneys active if you are going to restore healthful digestion, regular bowel action and free the body of pains, aches and feelings of fatigue and depression. This is only nature's way of cleansing the liver and kidneys and completely purify the blood. One pill a dose, 25 cents a box, at all dealers or Edmondson, Bates & Co., Toronto.

JEALOUSY LEADS TO MURDER.
Man is in Jail on Charge of Having Stabbed Brother to Death.

Binghamton, N. Y., June 28.—Craved by jealousy and maddened by a vicious combination of hard cider and alcohol, which he is said to have been drinking all day, George White, of North Pharsalia, Chenango county, he alleged, has murdered his brother, Walter, aged 27 years.

The fatal wound was inflicted following a general family row in White's home on Thursday night. Walter, after he was stabbed, ran screaming from the house and started for his father's house. He was found still alive beside the highway, 20 rods away, at dawn on Friday morning. In spite of the efforts of the doctors could do, White died following an operation at noon. Later in the afternoon George White was arrested and brought to Binghamton, where he is now confined in the county jail. Dr. J. Mott Crumbe obtained a complete anti-mortem statement from the man, which will be turned over to the district attorney.

It is said that George White had been insanely jealous of Walter for some weeks past, and that he has accused him of being unduly intimate with his wife. The neighbors say there were no grounds whatever for George White's suspicions.

COLORWOOD GARDEN PARTY.

Delightful Gathering Will Be Held on Dominion Day.
The garden party at "Glen Lea," Colwood, the residence of George Heatherbell, on Dominion Day, promises to be a delightful affair. Miss Margaret Evans, a graduate of Delacorte School of Oratory, will recite. Musical selections will be rendered, and the children are looking forward to the lagoon sports. The country is now at its prettiest and those who go to "Glen Lea" by road will have a beautiful view of the city and harbor. The park and castle is had from Mr. Heatherbell's grounds. Boats will be in readiness for those who wish to go crab-spear, etc., in the lagoon. A great many people from Colwood, Metchoin, etc., and from Victoria, have signified their intentions of being present during the afternoon to enjoy the hospitality of the King's Daughters of the district.

PIANO RECITAL.

Mrs. Boulton's Pupils Give Creditable Program in Watt's Hall.

(From Monday's Daily.)

The piano recital given by Mrs. Boulton, A. R. C. M., and her pupils, in Watt's hall Saturday afternoon, was a largely attended and most enjoyable affair. The pupils seemed to have all caught their teacher's bright spirit, and the different numbers of the lengthy program were rendered with a lightness and evenness of touch which was very pleasing.

The first two selections, given by two little girls, Victoria Wynde and Florence Millet, were marvels of what six weeks' careful training will do for quite young children. Both the little girls played with great self-possession, and in perfect time, but what was more surprising, with expression. Consistent among the girls were two young men, Cuthbert Allen and Fred Stiemler, both of whom played remarkably well. Schubert's "Serenade" (Schubert), Cuthbert Allen, was given with great sympathy and feeling, while Chopin's "Polonaise" and "Fantaisie Impromptu," played by Fred Stiemler, from memory, were very much enjoyed. Shorter pieces, such as "The Campbells' Song" and "The Bluebird," were also given, and the program was one may safely predict great things for them.

The programme was as follows: Duet, "Good Humor," (Lowe), Victoria Wynde and Mrs. Boulton; solo, "Serenade," (Schubert), Cuthbert Allen; trios, "The Secret," (Gautier), May Moll, Lena Miller and Mildred MacEachern; solo, "Brook in the Forest," (Wenzel), Emma Moll; solo, "Curious Story," (Heller), Mildred MacEachern; two pianos, "Second Valse," (Godard), May Moll and Jennie McKay; solo, "Minuet," (Beethoven), "Ballade," (Burgmüller), Miller; solo, "The Bluebird," (Gobbeard), Jennie McKay; two pianos, overture to "Poet and Peasant," (Suppe), Freda Watt, Sibyl Allen, Ethel Johns and Beth Beattie; solo, "Serenade," (Schubert), Cuthbert Allen; two pianos, "Rondo," (Gurilt), Freda Watt and Mrs. Boulton; solo, "Jy Pense," (Meyer-Helmund), Beth Beattie; solo, "Polonaise," "Fantaisie Impromptu," (Chopin), Fred Stiemler; two pianos, "March from 'The Merry Widow,'" (Mendelssohn), May Moll, Freda Watt, Cuthbert Allen and Mrs. Boulton; two pianos, "Rondo Brillante," (Mendelssohn), Fred Stiemler and Mrs. Boulton.

SCHOOL CLOSING AT WILLIAM HEAD

Prizes Presented to Pupils for Work During the Term.

(From Monday's Daily.)

The closing exercises of the William Head school were held on Friday evening in the schoolroom, which was very artistically decorated for the occasion with quantities of roses, marguerites and poppies. There was a large gathering of the parents and friends of the children at the quarantine station, and a most enjoyable musical and literary programme rendered. The musical part, which was under the direction of Mrs. Watt, consisted of a cycle of songs, songs, set to very beautiful and appropriate music. Recitations were given by Margaret and Annie Tumilty and Walter Riley. Robin Watt read "The Rime of the Ancient Mariner," a very sympathetic voice and with composed manner. A chorus, "Foreign Children," by the school, their solo parts taken by Robin Watt, was requested by the audience. A rather unique feature of the programme was the reading aloud of a number of compositions by the teacher, which had been written without assistance, by the different pupils. The names of the writers were not divulged until the compositions had been voted on by ballot. The one accounted best was that announced to be the work of Arthur Riley. Robert Watt's description of a fish, which he had conceived the rather original idea of taking for his subject, "A Dream." He dreamt that he was about to celebrate Guy Fawkes night, when that individual appeared to him, denouncing him for "making a guy" of him. Robert Watt's recitation of a trip to Sidney was considered by all a close second. To Arthur Riley was awarded by Dr. and Mrs. Watt a copy of "The Vicar of Wakefield."

Each of the smaller children received a book donated by Captain and Mrs. Riley, and likewise one from the men employed at the quarantine station. Mrs. Eva Tumilty, one of the older pupils, the highest aggregate marks, a grouping of subjects, was presented with a beautifully bound and illustrated copy of Longfellow's poems, the gift of Captain and Mrs. Riley. Arthur Riley was a tie in this contest, and received all claims in favor of the young lady. Dr. and Mrs. Watt had offered a prize for the best progress made during the term in all subjects. This prize, a very richly bound copy of Hardy Andy with illustrations depicting some of the most comical scenes, was won by Arthur Riley. Robin Watt carried off the prize for the best drawing during the term, an extensive work on the care and rearing of rabbits. Stanley Phillips, for best aggregate marks on spelling throughout the term, was given a book. The prizes were presented by Mrs. Eva Tumilty, on behalf of the pupils, with a very beautiful six-volume complete set of Shakespeare's plays, richly bound in red calf, and containing a great many of the most modern and up-to-date illustrations. In connection with this presentation, an address was read to Miss Evans by Robin Watt, referring in the most flattering manner to the work accomplished by her during the five months she has been their teacher.

A school inspector in the Belfast district, in his report, says that at a school he found a piece of soap but no towel. "On visiting this school," he continues, "I found the very same piece of soap upon the phenomenon which is to be explained by some other theory than the indestructibility of matter."

HYLAND WINS IN FORTY-FIRST ROUND

Cross Floored Fifteen Times During Fight at San Francisco.

San Francisco, Cal., June 28.—Fighting Dick Hyland knocked out Leach Cross, of New York, in the forty-first round of a scheduled forty-five round battle at the Colma arena Saturday afternoon. The fight was one of the most sensational of modern boxing history, and was characterized by the wonderful games and recuperative powers of the New York pugilist. He was floored fully fifteen times during the contest, and after the twenty-fifth round fought practically the defensive only.

This was Cross' initial battle on California soil. For the first ten rounds he was the acme of coolness; he chewed gum constantly and ever and anon indulged in witty repartee with seconds and followers. He finally, however, gave him the advantage of the earlier rounds, and it looked for a time as if he would outpoint and outbox his opponent and pave the way to victory. In the twenty-first round, however, Cross, after he had been terribly punished, and during which he displayed great gameness that was literally superhuman. In the fortieth round Cross took the count of nine from three separate octocasts, the gong saving him from sure defeat. Hyland, although weakened considerably from the extraordinary efforts on his part, finally, in the last punch, sent Cross through the ropes and into the laps of the newspaper men in the forty-first and final round. Cross was pushed back into the ring only to be sent to the hospital once more for the count of nine. Hyland by this time realized that Cross' jaw was impervious to punishment. He changed his tactics and quickly brought his right hand down on the jaw, and the remaining strength of his command. The blow landed in the pit of Cross' stomach and the latter crumpled up like a leaf. There he lay, unconscious, when he was counted out, after which his seconds carried the prostrate form to the dressing room.

THE BOHEMIAN MAGAZINE.
An attractive array of illustrated special articles and short stories may be found in the July Bohemian Magazine, "The Comic Journal of Europe," by Lenore Vasey. It is an interesting and original English, French, German, Spanish and Italian humor, as exemplified by the "funny papers" of those countries. Reproductions of representative jokes supplement the text. George Jean Nathan's regular contributions, "The Science of the Dip," by John S. Lopez, tells of pickpockets and their acrobatic methods. Another of the series, "The Science of the Dip," by John S. Lopez, tells of pickpockets and their acrobatic methods.

SUFFERED FOR SIX LONG YEARS

THEN DODD'S KIDNEY PILLS CURED MRS. RICHARD'S DIABETES.

Her Rheumatism Also Vanished When Dodd's Kidney Pills Put Her Kidneys in Condition to Do Their Work.

East Chezzetcook, Halifax Co., N. S., June 25.—(Special).—Cured of Diabetes, Mrs. Richard, of Chezzetcook, who has suffered for six years from this disease, well known here, is joyfully telling her neighbors that she owes her health to Dodd's Kidney Pills. "My Rheumatism and Diabetes were brought on by a cold and a strain, and though I was attended by a doctor he could not help me. After suffering for six years I made up my mind to try Dodd's Kidney Pills and to my surprise they did me good almost at once. Two boxes cured me completely. I recommend them to everybody as a sure cure for Diabetes, Backache and all other Kidney Diseases." Dodd's Kidney Pills cured Mrs. Richard's Diabetes because Diabetes is a kidney disease, and Dodd's Kidney Pills are the only kidney medicine. Richard's Rheumatism was caused by her diseased kidneys failing to take the uric acid out of her blood. When the kidneys were cured they strained the uric acid from her blood and her Rheumatism vanished.

SCATTERS GOLD ON STREETS.

San Francisco, Cal., June 28.—After scattering \$35 in gold around the streets of San Francisco Saturday night, P. E. Travers, of Manila, steward on the transport Crook, sought aid of the police to-day.

Travers told the desk sergeant at headquarters that he remembered having laid a \$5 gold piece on each fire hydrant that he passed, and also had some recollection of having thrown \$5 pieces up side street, hurling \$50 gold. "It's hard luck," he said to-day, "but will you believe it, I can't remember the name of one of those streets, although I spent most of yesterday looking for them."

The steward was "flat broke" when he made his request to the authorities. **SOME GOOD ADVICE.**
