LORDS DEFEAT GOVERNMENT

200 Majority on Amendment to the Education Bill--Conservative Peers Voted in a Body--Lord Rosebery Voted With Liberals.

LONDON, Oct. 29.—The first vote in committee of the house of lords on the education bill was taken tonight and resulted in the defeat of the government by a majority of 200. The vote came on an amendment to the first clause in the bill. The amendment, which was offered by Lord Hensleigh, Liberal, makes religious instruction compulsory during a part of the daily school hours in all public elementary schools. Earl Grey, speaking for the government, refused to accept the amendment, but after a most businesslike debate the amendment was carried by a vote of 166 to 166. The majority included the entire opposition in the house of lords with the exception of Lord Amhurst, who voted with the majority. Among the majority were the Archbishop of Canterbury, twenty bishops and the Duke of Devonshire. Among the minority were all the peers who are members of the government and Lord Rosebery, the Duke of Manchester, the Earl of Durham, Earl Russell, the Marquis of Northampton, Lord Brassey, Lord Grimthorpe, Lord Weymouth, Lord Haversham and Lord Grey.

NOVA SCOTIA POLICEMAN SHOT BY NEGRO OUTLAW

GUYSBORO, N. S., Oct. 28.—During the course of last week a mulatto who gives his name as George Johnston of Boston, and who has been for some time past stopping with a woman named Rachel Carrigan at Sand Point, Strait of Canso, was making threats to shoot at some of the people of that place. Captain Christopher Carrigan came to Manchester on Friday and gave information against Johnston. William J. Simpson, J. P., issued a warrant and gave it to William McKeough, a constable, to execute. John Gordon Peart of Boylston went also to assist the constable, and on Saturday morning about sunrise they arrived at the house where Johnston was stopping and demanded admittance. "When the door was opened Johnston jumped out and made an effort to run

away. On the officers attempting to catch him he threatened to shoot if they persisted. Accordingly he fired at Officer Peart, who was about seven feet distant, the lead of shot entering about his knee cap. A doctor was summoned as soon as possible from Mulgrave and the wounded man was attended to. In the afternoon, when the steamer Malcolm Cann was passing on her way to Guysboro, Mr. Peart was taken on board and thence to his home at Boylston. The Carrigan woman was brought to jail on Saturday night. Johnston is still at large and constables are on the lookout for him. The wounded man's leg is in a bad condition and it is likely that amputation will be resorted to. Isaac Dorrington of Guysboro is in the hospital for threatening to shoot a man named Lewis Dorrington.

S. A. Head Left Last Night for Halifax En Route to Newfoundland—Meetings Here a Success

Commissioner and Mrs. Coombs, Lieut.-Col. Pagnier and the Commissioner's private secretary, Adjutant Morris, left last evening on the train for Halifax, where they will take the steamer for Newfoundland. A large number of their friends accompanied them to the station and heartily cheered them as the train pulled out. The party will remain in Newfoundland until next Monday, and while there the Commissioner will open two new barracks, and will dedicate Col. Bees, lately of England, commander of the island forces. The party will leave Newfoundland Tuesday morning, Nov. 6th, and proceed to Montreal, and from there to Winnipeg and Vancouver, and from there to Toronto. Commissioner Coombs conducted an enthusiastic meeting in the Charlotte street barracks last evening, the title of the service being "Two hours at the Cross." The building was crowded and many were turned away. Commissioner Coombs said last evening that he was greatly pleased with his visit to St. John and much encouraged at the signal success of the campaign. Tonight there will be a great demonstration in the Charlotte street barracks, when a number of new officers will receive their commissions.

REDMOND DEMANDS IRISH REFORMS NOW

Scores Government for Weak Enforcement of Land Act—Secretary Bryce Making Promises

LONDON, Oct. 28.—John B. Redmond, the Irish leader, moved the adjournment of the House of Commons today in order to call attention to the lack of progress in the matter of retreating evicted tenants in Ireland, as the speaker alleged, to the landlords having the operation of the land act by refusing to sell untenanted land. The land commissioners were consequently unable to provide farms for evicted tenants.

JOHN B. REDMOND, M. P.

Mr. Redmond said it was obvious that the government must resort to some system of compulsion. The patience of the Irish people was becoming exhausted, and although the Irish party desired to give opportunity for the greatest degree of fair play pending a declaration of the government's intention regarding Irish self-government, it thought that Chief Secretary for Ireland Bryce ought to grapple with the matter vigorously. Replying to Mr. Redmond, Mr. Bryce, after some debate, said the government had done its best to cope with the grave obstacles before it, and had won a certain measure of success. It was a certain measure, the government might have to come to that. Walter Hunt Long, Conservative, then declared that Mr. Bryce's statement involved a complete return to the Nationalists, and the subject was dropped.

REBELLION AGAINST BISHOP CARMICHAEL

MONTREAL, Oct. 28.—Rev. Canon Wood and Rev. Arthur French, of the Church of St. John the Evangelist, today sent a letter to Bishop Carmichael notifying him that they refused to give him canonical obedience. This they do not through any personal feeling, but because they believe that he was not legally elected to the office he now holds. At the time when Bishop Carmichael was elected Coadjutor to Archbishop Bond, the synod passed a Canon giving him the right of succession to the Archbishopric. This Dr. Wood and Mr. French contend was an illegal act on the part of the synod, inasmuch as a Canon may not be passed and acted upon at the same session of the synod. It is stated that the reverend gentlemen have taken legal advice in the matter, and that unless something is done at once to legalize election of a Bishop, that legal proceedings may be taken.

MURDER IN SHELBURNE

Man Found With Bullet Through Head

Was Either Shot From Behind in Cold Blood or Hit by Stray Bullet

LIVERPOOL, N. S., Oct. 29.—A special train from Shelburne tonight brought in the body of a man found beside the track near Granite Village, about 20 miles from here. The man was evidently deliberately murdered or struck by a stray bullet, which entered above the right ear and came out through the left jaw, completely shattering it.

The name of the murdered man is unknown here. His age is about 35. He has light brown hair and a sandy moustache, and is dressed in a blue sack coat, brown overalls and a heavy flannel shirt, with a red checked handkerchief around his neck, and a soft black hat on his head. He had been dead less than twenty-four hours. The body was found alongside a small brook near the railway track, and it is surmised that he was in the act of drinking when struck by the bullet. At this point the track is three or four miles from the post road there. There was nothing in the pockets by which he could be identified. There was a six-point star tattooed on the right forearm, with a dot in the centre, as well as a small cross on the back of the right wrist. Coroner H. R. Presnamy of Molton was notified and immediately attended. An inquest will be held at nine o'clock Tuesday morning. Judging from the marks upon his body, Chief of Police Power believes him to be a sailor whom he believes he can identify. The body was viewed by Drs. Keddy and Tritts with the sheriff, who believes it to be a case of murder or a stray bullet. The following jury was empaneled by Chief Power: Chas. Macintosh, J. A. Kenney, John Wright, A. K. Mulhull, J. C. Innes, Arthur Drew, Uria Dauphinee, Geo. A. Phalen, R. B. Hatt, W. F. West, J. S. Gardiner, J. S. Knox.

The body is now at the undertaking rooms of S. C. West. Chief Power leaves for the scene tomorrow morning.

TWO AGED WOMEN BURNED TO DEATH

Ontario Home for the Aged Burned Yesterday With Two of Its Inmates

BOWMANVILLE, Oct. 28.—About 4 o'clock this morning a fire was discovered in the Home for the Aged on Seagoe street. It was an old frame building, three stories high, and the flames spread so rapidly that two inmates were burned to death before they could be rescued.

Mrs. Mary Best Courtice of Orono was blind and her screams for some one to save her were piercing but unavailing, and the stairway was enveloped in flames. No ladder could be found and no one could help her. All who could were striving to save those on the first floor. Only two men were among the inmates. John Griffith was sent to ring the fire bell, and Wm. Allan, the gardener, ran to alarm the neighbors. Mr. and Mrs. Xavier Bureau were the first on the scene. The house was full of smoke, but Bureau, with great peril to his own life, smashed a window and got in and carried out to his wife Jane Heard, an invalid, and Mrs. Jonathan, who recently broke her thigh and was entirely helpless. Bureau helped Marion Johnston out and then could do no more. Mrs. James Wilson, better known as Granny Wilson, and Mrs. Alexander Kaman were able to get out themselves, but the former returned for her clothes and was overcome by the smoke and perished. The two bodies have been found in the ruins charred beyond recognition.

Stanley and Minto Will Run Again This Winter—Lady Grey Considered Unsuitable

OTTAWA, Oct. 28.—It is understood that the winter service to Prince Edward Island will be performed this winter by the steamers Stanley and Minto, the boats which have been doing the work for some years. It was at one time thought the new steamer Lady Grey would be put on the route, but as she is particularly designed for the work of sweeping the St. Lawrence channel it is believed the service in Northumberland Straits will be better performed by the Minto. John M. Draper of Ottawa was drowned Saturday at L'Annonciation, Que. He was hunting with his brother, the mayor of the village. Consul General T. ENGLISH EXPERTS WERE SATISFIED

New Brunswick Oil Wells to be Extensively Developed—English Capital in Control

M. Lodge, of Moncton, who lately arrived from a prolonged visit to the Old Country, is in the city. In conversation with a Sun reporter Mr. Lodge said that the English syndicate which are in control of the New Brunswick oil fields, will commence operations early in January. They have had two experts going over the ground since October 3rd. They have driven over the greater part of the counties of Kent and Northumberland, and left a few days ago to report to their principals. It is believed their report will be greatly in favor of the oil fields. During their stay a well was drilled at their orders. It has proved a very productive well.

The old stockholders in the oil wells will take stock in the new company, for which there will be a large working capital, and the company has provided for very large expenditures in the province for the next few years. A detailed account of the transactions of the company, relating to the transfer, will be published in a few weeks.
