

ganization. Also the letter from Digby was well worded and gladly received.

Dear Brethren, we want some faithful man to be regularly and lawfully set apart for the Western part of our Province. An eminent young man from Canada, well educated and full of the Holy Ghost has partly promised to spend a few months in this Province, if the Churches will give him up. But I am fearful that he will not be given up, as he is very useful at home. Let us therefore pray that God will send a man in due time.

We rejoice to see many of our old friends at Preston about returning home. And now, dear brethren, let us pray to the Almighty God, who is a strong tower to all them that put their trust in Him, to whom all things in Heaven and earth and under the earth do bow and obey, be now and evermore our defence, and make us know and feel that there is no other name under Heaven in whom and through whom we may receive health and salvation only through the name of our Lord Jesus Christ: AMEN.
