BLACK'S HARBOR, N. B.

History and Biographe

When Longfellow left college he wrote to his father. "I most eagerly aspire after future eminence in literature. My whole soul burns most ardently for it and every thought centres in it."

His father, a lawyer living in Portland, Maine, urged a profession that would promise a more lucrative subsistence as well as reputation; but gave his consent to his son's passing a year at Cambridge, following literary studies.

Before that time elapsed a new prospect opened for the young scholar, which settled the question of his career. A University chair of modern languages was to be established. To fit himself for the occupancy of this, young Longfellow was sent to Europe.

He lived successively in France, Spain, Italy, and Germany, studying the language and literature of each country.

On his return to America he was appointed professor of modern languages at Bowdoin College, and later at Harvard.

Poetry was for the time given up, but his prose articles on topics connected with his studies, were stamped with the purity and charm of his whole nature.

Longfellow had married, when about twenty-four, Miss Mary Potter, of Portland. With her he went abroad again, to study the Danish, Swedish, and Finnish languages. During their absence in Europe his wife died. It was a heavy blow, but the poet found relief in constant study.

Returning home he established himself at Cambridge, where his delightful qualities of heart and mind secured for him the warm regard of all who knew him. In a fine old Colonial mansion, to which, clung memories of Washington's residence there, Longfellow made his home for the remainder of his life.

Here he wrote "The Reaper and the Flowers" and "The Psalm of Life." The author became instantly popular. It was a new voice, a musical and moving one, in American poetry. "Hyperion" followed—a work to touch the soul of fervent youth—then his first volume of poems.

From this time Longfellow's fame grew rapidly; success and reputation were to him but stimulants to new exertions. His second volume confirmed the impression made by the first.

Longfellow married about twelve years after his wife's death, Miss Frances Appleton of Boston, to whom he had been attached for some time, and who is said to have been the original of the "Mary Ashburton" in "Hyperion."

Seldom has there been a happier marriage; for years Longfellow had as much peaceful joy as ever falls to man. A shocking tragedy brought this idyllic period of existence to an abrupt end. Mrs. Longfellow met a painful death by fire. It was long after this calamity before the bereaved poet could resume his old occupations.

As time passed, however, the current of life ran tranquilly enough, and though the old sunshine was lacking, the closing years of the poet's life were unvisited by sorrow or care. The end came peacefully, in 1882. The English nation has honored the memory of the most popular American poet by placing a bust of him in the Poet's Corner, in Westminster Abbey.

A few years before his death Longfellow wrote these inspiring lines: "For age is opportunity no less. Than youth itself, though in another dress, And as the evening twilight fades away, The sky is filled with stars, invisible by day."

NOTICE OF REAL ESTATE SALE

Pursuant to the authority of a license, to me for that purpose granted by the Probate Court for the County of Charlotte, on the seventeenth day of July A. D. 1909, there being a deficiency in the personal estate to pay the debts and costs of administration, in the estate of Janet Campbell, late of Saint George in the County of Charlotte, intestate deceased, I will sell at public auction, to the highest bidder, at or near Youngs Bridge, so called in the Parish of Saint George in the County of Charlotte, at two o'clock in the afternoon on Saturday the twenty first day of August next, all the real estate of which the said Janet Campbell died seized and possessed, and which is described in the said license from the said Probate Court as follows:—An undivided half interest in that certain lot of land and premises situate in the Parish of Saint George in the County of Charlotte and bounded on the west by the river Magaquadvic, on the north and east by land of Lewis Delman and on the south by lands of Fred Baldwin or John Thorne and being the same premises upon which the said Janet Campbell resided at the time of her death, with all buildings and erections thereon being.

Such sale to be made for the purpose of paying the debts of the said Janet Campbell deceased.

Terms will be announced at the time of sale.

Dated this 19th day of July A. D. 1909.

P. McLAUGHLIN
Executor of the last will and testament of Janet Campbell deceased.

Relax the Hands.

If you have not paid especial attention to your hands, do so! Watch them carefully. See if you relax them when they are not in gesture or use. If you keep them tense as though you were holding on to something for dear life, it only means you are keeping your nerves and muscles in an unnecessary strain.

Make a practice of stretching them out and then relaxing them, letting them fall into place with all the muscles loose. It is said that women waste nerve force to a great extent through their hands.

All this means that nervous energy, like Bill Arp's courage, oozes through her finger tips.

KEEP THE HANDS QUIET.

Good form frowns on the woman who keeps her hands still but this is one of the conventions that is more broken than observed. If woman only knew how nervous it makes another person to look upon even the loveliest hands that are never still, they would certainly learn to drop them into repose.

Perpetual motion of the hands is a sign of a thoroughly uncontrolled nature, and it is one of the things of social life a rapidly voice, that nearly drives bystanders to flight.

Possibly you are not conscious of how much perpetual motion there is in your own hands. Take a day off to watch them. If you find that you twist them, run them through the hair and over the face, rap the chair or desk with them as you talk, do—do—give them a rest. You will save yourself hours of energy and throw back at all force into your system to be used in mere important things.

RULES TO OBSERVE.

Put these rules up on your dressing table and immerse them in your mind before you go out among people.

Keep your hands away from head and face.

Do not slip your rings up and down.

Do not pick up articles over the room and put them down again as you talk.

If you carry a fan do not open and shut it all the time or tap your face or the furniture with it.

Learn to drop the hands in the lap, on the arm of the chair, or at your side, and do not move them unless it is necessary.

Constant gesturing is foolish. Don't think it is expressive to talk with the hands, unless you know how to do it.

A few gestures, gracefully done, are elegant. Fidgeting the hands is stupid.

When Preparing Rice.

Instead of washing rice in cold water half a dozen times to remove the starch, rinse twice in very hot water, and the same results are gained.

Few Northerners succeed in getting the separated grains, such as are always seen on Southern tables. To obtain them throw rice slowly into rapidly boiling water, slightly salted, and cook 20 minutes uncovered.

Drain, add a teaspoonful of butter and toss gently with a fork. Dry in a hot oven for about five minutes. Serve uncovered.

Great Clearance Sale fancy and staple Crockery, Wedgwood

We have carried over too much stock and must dispose of it before winter sets in.

For the next thirty days we will sell all kinds of Crockery ware at unheard low prices.
