Correspondence.

MR. EDITOR.—The writer believes it would be of great help to our denominational activity if the pastors or clerks were more frequent in their communications to the page of "News from the Churches." The page is eagerly scanned each week, and would be of great encouragement and inspiration if the plans and methods and general activities of the churches were presented. The news of the past months has been of a cheering character, and I am assured from consultation with pastors and other brethren, that a more general lighting of our church life is much desired. I hope to see a Conference, through our paper, on church life and work in which some of our successful and wide-awake workers will present their ways of conducting church work. Many of our pastors would hail such a Conference with delight. We want to know what to do and how to do it.

SEVEN TO ONE

From reports received we figure that one bottle of Scott's Emulsion sometimes builds seven times its weight of solid, healthy flesh! Why is this so?

Because Scott's Emulsion is itself the richest and most digestible of foods.

Because Scott's Emulsion gives strong appetite.

Because Scott's Emulsion makes all good food do good—strong stomach—strong digestion.

Because Scott's Emulsion wakes up the dormant system—new life to the tissues—so that the body uses it's food for bone making and flesh building.

We'll send you a little to try if you like.

SPECIALIST SPROULE EXPLAINS

Why Other Physicians So Often Fail To Cure

Diseases OF THE Stomach.

Of all the chronic ailments which afflict modern humanity, none, perhaps, procure for their victims less sympathy than the various forms of stomach trouble, which are all, popularly and erroneously, classed under the head of "dyspepsia."

The blood is impoverished by the poor digestion; a great nerve system is kept perpetually on the rack, and both mind and body are affected.

I have often felt my blood boil with compassion and indignation, as I have seen the impatience and lack of pity towards these unfortunates. They try doctor after doctor, cure after cure, with no benefit. They grow worse rather than better. The things which they can eat without distress become fewer and fewer in number, till at last life grows scarcely worth the living.

My long experience has taught me not to waste time, but to ask at once if the patient has or ever has had Catarrh of the Head. Nine out of ten times the patient is much surprised at the question, but answers yes. This, then, was

WHY ALL "DYSPEPSIA CURES" HAD FAILED.

The Catarrh mucus has dropped down from the head, and gradually coated over the lining of the stomach. The digestive juices are thus prevented from doing their work. The food is not digested and fails to nourish the body, so that the blood grows poor and weak and does not feed the nerves.

At length the Catarrh germs attach themselves to the membranous lining of the stomach, and eat into it, forming gradually festering sores and ulcers. The result is that any food put into the stomach causes pain, and the man is more than ever convinced that he has dyspepsia.

He has Catarrh of the Stomach. He can easily, simply and quickly be rid of it. But he must have treatment for Catarrh, at the hands of an expert Specialist.

Thousands of poor discouraged souls have applied to me as a last hope, after having been treated in vain by doctors and patent medicines, for dyspepsia or indigestion. I have treated them for Catarrh, and in each case the despondent, suffering chronic invalid gave place to a strong, healthy, happy man or woman. Reader, if you are one of these discouraged people, just write me, and it is nine chances out of ten you will never again have to dose yourself for dyspepsia or indigestion.

SYMPTOMS OF CATARRH OF THE STOMACH.

Do you belch up gas?
Is your tongue coated?
Are your bowels irregular?
Do you suffer from nausea?
Are you drowsy after meals?
Is your flesh soft and flabby?
Do you suffer with headache?
Is your face bloated after eating?
Have you rumbling in your bowels?
Have you palpitation of the heart?
Do you feel languid in the morning?
Do you have pain just after eating?
Have you pain in pit of stomach?
Do you have chilly and then hot flushes?

Do you have a desire for improper food?
Is there a sour or a sweet taste in the mouth?
Is there a gnawing sensation in stomach?
Do you feel faint when stomach is empty?
Do you see specks floating before your eyes?
Have you feeling of emptiness in morning?
Have you a burning in back part of throat called heartburn?

If you are troubled with some of the above symptoms, mark them on the piece of paper, cut it out and mail to me, also write any other information you may wish to give me about your case. As soon as I receive your letter I will study it over carefully. This is no trouble to me. I will then make a diagnosis, giving my opinion of your case, and if it be suitable for my treatment, will tell you just how much this course of treatment will cost. This I always make as reasonable as possible, leaving you perfectly free to think the matter over carefully, and then take treatment from me or not, just as you consider best.

Notice to Churches and Pastors.

At our last Home Mission Board Meeting, April 14th, after filling applications and supplying vacant mission fields as best we could, we found that we had the names of several worthy young brethren left on our list, who desire to work for the Master. Now if any of our churches would like the services of one of these brethren or any of our over-worked pastors would like an assistant for the summer vacation, please apply at once to the Board. Our young brothers want to work for the Master and they want the temporal remuneration. Such work brings to help them in obtaining their education. Let the churches and pastors come to their assistance.

M. W. BROWN, Rec.-Sec'y.

Pleasant Valley, Var. Co., N. S.

At the Home Mission Board meeting convened in Yarmouth Sept. 10, a provisional committee of the Board was appointed to take charge of the work hitherto carried on by Bro. Cohoon, until such time as his successor could be obtained or a permanent satisfactory disposition of his work be arranged. Correspondence upon all Home Mission questions should be addressed to me during this provisional arrangement. Any correspondence forwarded to me, will be immediately submitted to the members of the committee.

W. F. PARKER, Sec'y. Prov. Com.

Yarmouth, P. E. I.
P. S.—I would be understood that I have nothing whatever to do with the finances of Home Missions. Do not send any money to me, but to A. Cohoon, Wolfville, N. S. who is still Treasurer of Denominational Funds for Nova Scotia, and he will see that the Home Mission portion reaches our Treasurer in due time. This will save trouble and prevent mistakes.
