PARALYSIS COMPLETELY CURED

"Fruit-a-tives" Performs Another Miracle

Bristol, N. B., July 25, 1911

"I had a stroke of Paralysis in March 1910, and this left me unable to walk or help myself, and the Constipation of the bowels was terrible. Nothing did me any good and I was wretched in every way.

I then took "Fruit-a-tives" for the Constipation and it not only cured me of this terrible trouble, but gradually this fruit medicine toned up the nerves and actually cured the Paralysis.

By the use of "Fruit-a-tives," I grew stronger and stronger until all the Paralysis and weakness left me. I am now well again and attend my store every day. I say "Thank God for Fruit-a-tives."

"Fruit-a-tives" ALVA PHILLIPS, who suffered from the terrible Constipation, but so toned up the nervous system and the general health as to completely overcome the palsy.

Truly "Fruit-a-tives" is a wonderful medicine.

How English Beauties Keep Faces Youthful

Christian Miller, F.C.I., noted English health expert, attributes the early aging of American women mainly to the "national nervousness." The women of England, she says, can teach us the inestimable lesson of repose.

Another valuable lesson to be learned from the English woman is that she does not go in much for cosmetics, the continual use of which must ruin any complexion. The beauty devotees of King George's realm have the mellowed wax habit, a more wholesome method of keeping the face fair, looking and healthy. Ordinarily mellowed wax, used like cold cream, invents the worst complexion. American women may easily acquire the habit, this wax being obtainable at drug stores generally in the United States. It is applied at night and washed off in the morning. One ounce is sufficient to completely renovate a bad complexion. It is a peculiar action in keeping the face free from the particles of dead and dehydrated skin which are constantly appearing—Woman's Herald.
