THE TECHNICAL SIDE OF STORM AND GALE

Information gleaned from the Observatory here — A new record established.

The heavy rain storm which began at about 3.30 on Thursday night continued until about 11 o'clock yesterday morning. The rainfall registered at the observatory in Douglas Avenue from 9 a. m. to 9 p. m. yesterday was two and seven-tenths of an inch. Two and one-quarter inches were registered between 1.30 and 3.30 a. m. yesterday, a most unusual downfall.

A gale from the east set in at about 1.30 yesterday morning and continued until 7.15 with velocities of from 38 to 42 miles an hour, the barometer falling rapidly to 29.10 in.

In the afternoon yesterday, until 2 o'clock there was a half gale from the west and northwest, increasing to a gale until about 5.15 with a velocity of from 40 to 48 miles an hour.

During the past forty-two years twenty-two gales have been recorded in July, but these were only of moderate proportions.

For combined wind velocity and continuance of precipitation the record up till nine o'clock last night constitutes a record for this vicinity. Temperature was exceptionally low during the past forty-eight hours, the highest recorded from 9 p. m. on Thursday until the same hour last night having been 58 degrees and the lowest during the same period 54 degrees.

Early this morning the gale had abated considerably with the wind northwesterly. The forecast for today is for finer weather with rising temperature.

SANITARY CONDITIONS IN CITY AND COUNTY QUITE SATISFACTORY

Board of Health Inspectors have been busy this year — Tags for licensed milk dealers.

The sanitary conditions of the city and residential sections of the county have been under inspection during the past few weeks by temporary inspectors of the Board of Health. This inspection is carried on annually with the idea of keeping the city and county as clean as possible besides removing all refuse matter which would aid in the carrying of disease.

The inspection will come to a close this week and in most cases satisfactory reports will be handed in. Although the death rate for the first half of the year is exceedingly high yet the number of contagious diseases recorded is much lower.

Since last April Dr. Johnson of the Board of Health staff, has been carrying on an inspection of the different farms and plants supplying milk to the city.

At the present time Dr. J. Roy Campbell, solicitor, has a number of prosecutions against milkmen who have, as yet, not paid their licenses. These will be brought up in the police court at an early date.

This year, for the first time, the Board of Health is issuing small metal tags to the licensed milk dealers and these will be displayed on the milk cans. The tags are painted yellow with the word milk, year and number printed in black letters. This idea will enable persons buying milk to see whether they are securing it from licensed milkmen or not.

MORGAN'S ASSAILANT WHO KILLED HIMSELF IN HIS CELL

Frank Holt, the Cornell University German instructor, who shot Mr. J. P. Morgan and set off a bomb in the Capitol at Washington, killed himself in the Nassau County Jail at Mineola, L. I. Jail officials refuse to tell how Holt ended his life. One report was that he closed his jaws on a high explosive cartridge of his own manufacture, taking his precept from Lingg, the anarchist, who killed himself similarly in Chicago, following his conviction of murder in the Haymarket plot. Another has it that he shot himself, a third rumor was that he had dived to the iron floor from the grated side of his cell. Holt's skull was fractured, and his features are so mutilated that probably all efforts to identify him as Professor Erich Muentzer, the Harvard German professor, wanted since 1906 for poisoning his wife, will be in vain.

OPERA HOUSE

"Tidy as the Police Magistrate" will be seen at the Opera House for two performances today, the matinee starting at 2.30. The show is one of the best comedy shows that has been seen on the Opera House stage for a long time. That excellent male quartette is rendering several selections during the course of the program. The night performance is over in plenty of time for out of town patrons to make the 10.15 and other suburban trains.

Commencing Monday and for the first three days of the week, the company offers the famous Lady Minstrels in a genuine old time minstrel show, with a gorgeous velvet first part setting. Mike Sachs will be on one of the ends, which means plenty of laughter. Dick Stead will offer another of his original compositions, sung in his inimitable style; there will be plenty of new musical features, beautiful costumes and novel electrical effects, the whole blended into a show that will be even better than any programme the company has yet offered during their stay here.

CHILDREN'S PARADE FEATURE OF EFFORT TO SECURE RECRUITS

Plans for the Demonstration Are Already Well Advanced — Five Thousand Children in Line.

The arrangements for the holding of a grand parade of city children in order to stimulate recruiting for the 55th New Brunswick Battalion were advanced a stage yesterday at the meeting of the committee having the matter in charge. The parade will take place on Tuesday afternoon next. C. D. Howard is making every effort to have at least four thousand children in line.

Besides the children's parade it is hoped to have a detachment of the 55th Battalion in St. John on that day in order to make a personal canvas for recruits. It is probable that a recruiting meeting will take place in the evening in King Square with recruiting officers opened in the vicinity. At the meeting yesterday morning His Worship the Mayor and Thomas Nagle were added to the general committee. The band committee, under Commissioner Wigmore, reported progress and were authorized to continue their efforts to have all the bands in the city unite in the great parade.

Mr. Howard, for the flag committee, has been authorized to complete the purchase of flags of the allied countries for the children from Messrs. Manchester Robertson Allison, Limited. He reported that this firm, free of charge, was having a number of patriotic banners prepared to be carried by the children.

Mayor Frink was authorized to ask Thomas M. Wisted and any other veterans of the Crimean and Indian Mutiny to drive in the parade wearing their uniforms.

His Worship was also asked to communicate with Col. Kirkpatrick, of the 55th, notifying him of the plans for the afternoon's parade, and of the intention to have a big open air meeting in King Square in the evening. The 55th will be represented by a number of officers and men, who will make speeches and urge on other men their patriotic duty. Recruiting office will be opened in the Court House.

The route of the procession was made up as follows:

Assemble at King street East at 2 o'clock; march by way of Wentworth, Princess, Charlotte, Duke, Germain, Union, Sydney to South Side of King Square, thence down King street, and by Dock, Mill and Main streets to the Union Hall, where the procession will disband.

Present expectations are that at least four thousand children will parade, and there was expression of a hope that the Daughters of the Empire and other patriotic organizations of women would assist by providing ice cream or other refreshment for the children on the break-up of the parade. The Mayor and P. B. Ellis were appointed to take this up with the ladies.

Hon. Mr. Wilson, Mr. Howard and P. Granman, M. L. A., will ask the street railway to convey the North End children from Union Hall to the place of rendezvous on King street East.

Rev. Ralph J. Houghton of the Congregational Church has offered his services to assist in any manner possible in the recruiting campaign, on Tuesday next and tomorrow evening will preach a special patriotic sermon in the interests of a greater patriotism. The subject for the sermon will be: "Duty, Honor, Country—Three reasons why Germany must be defeated."

Mrs. J. McMan arrived in the city on the Montreal train yesterday having come from Saskatoon to visit her sister, Mrs. A. J. Archibald, West St. John.

ST. STEPHEN WOMEN CONTRIBUTE COMFORTS

Articles Will Be Sent Forward to the Men in the Trenches at Once.

Field Comfort Day, held on June 26 by the Women's Canadian Club, of St. Stephen, of which Mrs. George J. Clarke is president, was a great success. The various articles sent by residents of St. Stephen and others will be forwarded with the city donations to Halifax by the Soldiers' Comfort Association of St. John, for distribution among the Canadian soldiers on the firing line. The articles sent by the ladies of St. Stephen are of a character that will be sure to bring comfort to the men in khaki overseas.

ONLY SIXTEEN, GIRL VERY SICK

Tells How She Was Made Well by Lydia E. Pinkham's Vegetable Compound.

New Orleans, La.—"I take pleasure in writing these lines to express my gratitude to you. I am only 16 years old and work in a tobacco factory. I have been a very sick girl but I have improved wonderfully since taking Lydia E. Pinkham's Vegetable Compound and am now looking fine and feeling a thousand times better."

—Miss AMELIA JAQUILLARD, 2861 Touhouptoulas St., New Orleans, La.

St. Clair, Pa.—"My mother was alarmed because I was troubled with suppression and had pains in my back and side, and severe headaches. I had pimples on my face, my complexion was sallow, my sleep was disturbed, I had nervous spells, was very tired and had no ambition. Lydia E. Pinkham's Vegetable Compound has worked like a charm in my case and has regulated me. I worked in a mill among hundreds of girls and have recommended your medicine to many of them."

—Miss ESTELLA MAGUIRE, 110 Thwing St., St. Clair, Pa.

There is nothing that teaches more than experience. Therefore, such letters from girls who have suffered and were restored to health by Lydia E. Pinkham's Vegetable Compound should be a lesson to others. The same remedy is within reach of all.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
