It's a simple competition, no hard rules, no entrance fees, just cut the picture out, paint or color it the way you think best, save six coupons the same as the one shown on this page each morning from The Standard, fill them up, pin them to the painting and send them all addressed to

**THE STANDARD,**  
ST. JOHN, N. B.

Mark your envelopes in the top left hand corner "Art Competition," then watch for your name appearing as the winner of the prize.

You must save the coupons from six consecutive issues of the paper. Start cutting these coupons now to be ready for next Saturday's picture.

### FAREWELL TO A BANK ACCOUNTANT

Bridgetown, April 28.—At the home of the manager of the Royal Bank of Canada a social function of the K. K. Club of the bank clerks took place on Tuesday evening. The object being a farewell to Mr. Charles X. Florion, accountant of the bank, who is being transferred by promotion to the branch at Kentville. And at the same time to give the right hand of fellowship to Mr. F. W. Vaughan, late of the Gortingen street branch in Halifax. Both gentlemen responded in a most happy strain of appreciation. The lady friends of the clerks were in evidence and the function was happily enjoyed. A country wedding function of no little importance was the happy marriage on Wednesday morning at ten o'clock, of Miss Laura Ray, the youngest daughter of a family of thirteen children, of Mr. and Mrs. R. W. Ray of Upper Grandville. During the strains of the wedding march, the bride entered the parlor on the arm of her father, and at the altar was given away in marriage to Mr. Norman A. Dargie. The bride was attended by Miss Minetta Longley, and the groom's best man was Mr. A. C. Marshall of Clarence. The bride was attired in a pretty suit of Battleship grey. The nuptial knot was tied by Rev. A. R. Reynolds of the Methodist body. After a buffet collation and social congratulations from fifty invited guests present, the happy couple took Mr. A. L. Deeler's auto to the door for their future home at Upper Grandville. The groom's presence of a wrist watch was mingled with a large collection of wedding mementoes.

### DANDRUFF ON HEAD IN DRY CRUST

Hair Came Out, Scalp Itched and Burned. Scales Like Sawdust. Cuticura Healed in Six Weeks.

"The Psi, Manitoba.—Four years ago I began to lose my hair. It used to come out any time that I combed it. I think it was because my head was full of dandruff. Whenever I brushed it the scales flew off like sawdust. My scalp also itched and burned and my head was like a dry crust. The dandruff showed very plainly. I applied several remedies but found no improvement till I used Cuticura Soap and Ointment. After using Cuticura Soap and Ointment a few days I found a great difference so I continued with them six weeks and they completely healed me." (Signed) L. D. Lockwood, June 4, 1914.

**Sample Each Free by Mail**  
Although Cuticura Soap and Cuticura Ointment are sold throughout the world, a sample of each with 25¢, 50¢ and 100¢ boxes as I continued with them six weeks and they completely healed me." (Signed) L. D. Lockwood, June 4, 1914.

### CARLETON COUNTY FARMERS HAVE BEGUN SPRING PLOUGHING

Bath, N. B., April 26.—The farmers are beginning ploughing and other farm work and in a few days seedling will be general. The cold rains have wet the ground and many farmers who intended to begin seeding this week with wheat have had to defer such until the dry weather comes. A considerable increase is expected in the grain line and too the acreage of potatoes planned for will be up to last year, which was the largest in the history of that industry in the farm line. Gladstone Perry and Henry Curtis were callers here recently. A number of teachers from this parish and other parts of this upper part of Carleton met with School Inspector Dixon in the school house here on Saturday afternoon last. There were about twenty teachers in attendance, including Principal Jonah and his staff of the Consolidated School at Florenceville, Miss Ethel Simms of the Bristol schools, Miss Margaret Keenan of Killowen and the school staff of this district. Miss Estey of the advanced room and Miss Maud Stanlake the primary room and others. A round table talk was conducted by Inspector Dixon and remarks were made by Principal John and also by J. R. H. Simms, barrister here. The inspector was very much pleased with the meeting and thanked the teachers who, many from the remote districts, took so much effort to be present. Mayor W. S. Sutton of Woodstock was a caller in the town on Friday last; also A. R. Poster, police officer of Simonds. Mr. Fred C. Squires of Woodstock was a caller here on Saturday last. Miss Lynch, Fredericton, is spending a few days with her aunt, the Misses Bohan's. Mr. John Ryan, accompanied the Scott Act inspector with a number of witnesses to Woodstock on Friday last.

He was then sent below until enquiries could be made about him. One man arrested on a drunkenness charge was fined \$8 or two months in jail.

### WILL EMPANEL NEW JURY FOR ALBERT CO. POISONING CASE

Bridgetown, N. S. boy writes from France two hours before starting for the trenches.

Bridgetown, April 27.—A letter has been received from one of the Bridgetown boys now in the trenches and who was probably at "Hill 60." The wording indicates the spirit that prevails with the Canadians at the front in France, and propelled the lads up that hill and held it.

Dear Mother—I am now in France. I am pretty well and we are just leaving in two hours for the trenches. They are giving them all they want. It is hard to tell who will get through this racket, but I am willing to risk it. If I go under all is well. If I could only knock out a dozen Germans I would be willing to go for it. I could fairly butcher the devils. They are just as bad as the heathens in the old times. I can't say much more, it may be a last good-bye.

On Monday evening the ratepayers were called to the town hall by public notice from the mayor for the purpose of voting on a further sewer extension from Hoyt's hill to the eastward of the town on Granville street. The Doane Engineering Co. of Halifax, had made plans and estimates for three routes to the river. The one along Granville street from Freeman's corner to the top of Pratt's hill, was decided on by the council, and placed before the meeting. On a vote being taken a large majority voted for the new extension. Three thousand dollars had already been voted at a former meeting. This call was for two thousand more, making \$5,000. The work will commence at once.

St. John, N. B., April 24, 1915.  
The Annual Meeting of the shareholders of The St. John Real Estate Company, Limited, will be held in the office of the Company, Pugsley's Building, corner Prince William and Prince streets on Wednesday, the 12th day of May, 1915, at 4 p. m.  
L. P. D. TILLEY,  
Managing Director.

Hopewell Hill, April 28.—Mr. A. W. Bray, clerk of the Albert Circuit Court, has been instructed by His Honor, Mr. Justice Crockett, who recently tried the Downing-Johnson poisoning case in Albert County wherein the jury disagreed and the court was adjourned to the thirteenth day of May next for a retrial of the accused knowing that the jury panel then summoned, less the twelve who actually participated in the trial, be discharged and notified not to attend, and an entirely new jury panel warned for the adjourned court. The judge thinking it just possible that the jurors who were in court and heard the address of counsel and also His Honor's charge to the jury might, though not actually sitting on the case, be to some extent influenced. It is apparent that British justice and fair play are preponderating qualities from pole to pole, and conspicuous in our courts of law from the highest to the lowest.

**Belgian Fund.**

### THE BLESSING OF MOTHERHOOD

Healthy Mothers and Children Make Happy Homes

Motherhood is woman's highest sphere in life. It is the fruition of her dearest hopes and greatest desires; yet thousands of noble women through some derangement have been denied this blessing. In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong. This is evidenced by the following letters which are genuine and truthful:

London, Ont.—"I wish to thank you for the benefit I received by taking your famous medicine, Lydia E. Pinkham's Vegetable Compound. Before my baby was born I was so ill I could not stand long or walk any distance. I had to lie down nearly all the time. After I took your medicine I felt like a new woman. I could work from morning till night and was happy and well. I certainly think it relieves pain at childbirth and recommend it to every woman who is pregnant. You may use this testimonial if you like. It may help some other woman."—Mrs. FRANK CORBIN, 132 Adelaide St., London, Ont.

Brooklyn, N. Y.—"I was ailing all the time and did not know what the matter was. I wanted a baby but my health would not permit it. I was nervous, my side ached and I was all run down. I heard that Lydia E. Pinkham's Vegetable Compound was good and took the medicine. I have now a beautiful baby and your Compound has helped me in every way."—Mrs. J. J. STEWART, 290 Humboldt St., Brooklyn, N. Y.
