Many Children Die From
Summer Complaint

When They Could Be Saved by Using
DR. FOWLER'S
EXTRACT OF WILD STRAWBERRY

There is not a Summer passes without thousands of people, especially infants, being attacked by Summer Complaint.

The prostration, often verging on collapse, which sometimes accompanies this disease makes it one of the most serious and dangerous we have to contend with during the hot months.

A remedy which will quickly offset the vomiting, purging and the profuse diarrhoea is Dr. Fowler's Extract of Wild Strawberry.

Mrs. Thomas M. Theriault, Grand Anse, N. B., writes: "My three children were very sick with Summer Complaint during the hot days last Summer. I thought one day that they would die, and I didn't know what to do to cure them. I happened to have one of your almanacs in the house, and found by reading about Dr. Fowler's Extract of Wild Strawberry that it was a good remedy. I at once got two bottles, and they perfectly cured them. I recommend everybody to use this wonderful remedy."

When you ask for "Dr. Fowler's" see that you get it.

It has been on the market for the past 22 years.

You don't experiment when you buy it.

Price 25c. Put up only by The T. Milburn Co., Limited, Toronto, Ont.

PANTRY SALE FOR SIEGE
BATTERY CHRISTMAS
BOXES

What four children can do by working themselves and interesting their friends was shown on Saturday when a pantry sale held at the Soldiers' Club brought in the splendid sum of \$101 for Christmas boxes for the boys of the 4th Canadian Siege Battery. The young ladies who arranged for this pantry sale were Phyllis Barker, Miss Constance White, Miss Ellen and Kathleen Branscombe. There was, beside the table at which were sold most attractive home cooking, a candy table with dainty boxes of sweets and a fancy table with many articles both useful and pretty.

At this table, the hats showing the very latest styles and up-to-date touches so that Miss Dolly need not be behind the time in regard to her headgear.

Two very beautiful knitting bags were raffled, the lucky winners being Mrs. Charles McPherson, Winnipeg, and Miss Alice Fairweather.

The large room at the Soldiers' Club was decorated with red and green wreaths and flowers (the gift of Mr. A. O. Skinner). The young people are to be congratulated upon the success of their effort and wish to thank all those who so kindly contributed.

SUFFRAGE CLUB MAKES
FIVE HUNDRED
GARMENTS

Mrs. Richard Hooper, vice-president of the Women's Suffrage Club of St. John, has received from Miss Grace Robertson a very grateful letter of acknowledgment for the gift of five hundred garments which the Women's Suffrage Club, "The Emma Fishie Memorial" have made for the worthy poor of the city. Miss Robertson praises the garments very highly and says that both the Associated Charities and she herself are very thankful for such a donation.

This is the third year that the annual gift has been sent and each year the number of garments has been increased. The gift represents a very large amount of work on the part of the members of the Suffrage Club.

CHRISTMAS STOCKINGS

One hundred Christmas stockings will be the gift of the De Monts Chapter, L.O.E., for soldiers overseas. The stockings are filled with just the sort of things the men like and each present is wrapped in Christmas style. The convener for this work were Mrs. J. Roy Campbell and Miss Helen Sydney Smith. The proceeds of the bridge at the Cliff Club last week were used to purchase the contents of these stockings.

FIVE THOUSAND
PAIRS OF SOCKS
IN SIX DAYS

Again St. John has risen to an occasion and those who said "Impossible" when the scheme was first broached will have to confess that this city when it really makes up its mind can accomplish almost anything.

The required five thousand pairs of socks have been contributed in six days.

Those who attended the Imperial performance Saturday evening might have seen a group of ladies with their knitting looking as if they personally had taken it upon themselves to fill out the entire number asked for in the sock appeal made last Sunday.

These were, however, members of the Red Cross Committee taking down the number of contributions and great was the joy over the pairs which kept coming in all evening.

The figures for Saturday morning were 2,500. By 8:30 Saturday evening Manager Golding announced that the number had climbed up to 4,461. He reminded those present at the first performance that the number required was 5,000 pairs.

By ten-thirty the record showed 4,550 pairs and over the telephone came the assurance from two of our generous and patriotic citizens that the number would be made up.

The Imperial window is filled high with socks, all such good-looking comfortable pairs. There are more coming in, as people in outside places, who have heard of the appeal, are sending in donations, so five thousand and over have been raised.

The Red Cross Committee hastened to place extra insurance upon this valuable consignment, the members fairly glowed over the splendid sight of 4,550 pairs of socks for our soldiers overseas.

Between the first and second shows when Mr. Golding made his announcement of the result up to that time, he was addressed by Mrs. Richard Hooper of the executive of the local Red Cross Branch. Mrs. Hooper speaking on behalf of the society, thanked Mr. Golding and his staff for all their work in connection with the appeal and said it was only another occasion where the Imperial Theatre had placed its splendid stage and all the resources of the house at the disposal of a patriotic cause. Mrs. Hooper's few and well chosen words were loudly applauded by the entire audience.

Mr. Golding, replying, thanked the speaker for the appreciation expressed and stated that his employers had directed him to lend the theatre for any worthy object whenever it was possible to do so. Mr. Golding also said that for himself and his staff they felt it was their duty and pleasure to give every support to any movement to help the boys.

Members of the Red Cross Society occupied a box which was decorated with a Red Cross.

There are plenty of touching stories in connection with the sock appeal and the bare record of "so and so one pair of socks" has meant a great deal in many cases. A splendid sign of the times was the response made by men who saw a good opportunity to give assistance to the men in France. The number of individual contributions was very large, and the public may be reminded that one or two pairs of socks are always gladly received at the Red Cross Depot. It is never too late to contribute to this most worthy cause.

OPERA HOUSE

A vaudeville bill of great variety is to be enjoyed at the Opera House this week. First and foremost, the children as well as their elders will be interested in Schepp's Pony, Dog and Monkey Circus. There are twelve dogs, six ponies and six monkeys. The dogs are mostly Pomeroys and Shetlands, with two or three weird accidents of nature as a five-legged pup. A hairless Mexican dog is also an object of curiosity. The dogs are well trained, look happy and well cared for and so through their tricks.

These are followed by a variety of cheerfully without apparently any of the stunts on his own account. The ponies are splendidly drilled and march like soldiers, each ridden by a monkey. One pony, evidently prefers a "monkey" to a human being.
