AMBULANCES

PURCHASED BY BILLIARD STARS

Illinois Cue Players Do Won- derful Work in Raising Funds For Ambulance Corps.

Chicago, July 26.—The billiard play-
ers of Illinois after a strenuous cam-
paign which opened last fall and has
just closed have raised enough money
to purchase five complete ambulances
which through the government will be
shipped overseas as soon as the order
for the machines, which were forward-
ed can be filled.

The ambulances will bear the name
of the Illinois Billiard Players' Am-
bulance Fund. They will be wel-
comed "over there" by the boys, and
particularly those of Chicago, many of
whom aided in the campaign before
leaving the various cantonments for
service abroad.

Dr. Harley Parker, chairman of the
Illinois district, and George B. Dry-
den, treasurer, together with the com-
mittee of twelve all of whom worked
like beavers toward the success of
the fund, expressed keen satisfaction
yesterday when they learned from the
office of the surgeon general at
Washington that the donation of the
ambulances would be accepted and
that nothing would prevent an early
shipment of the ambulances.

The bulk of the money was attained
through patriotic exhibitions at clubs
and billiard halls in and outside of
Chicago the fans responding gener-
ously to the cause everywhere.

Woman Star Does Bit.

It is fitting that in these trying
days when the women of the country
are doing their full share to help
Uncle Sam win the war the billiard
fraternity should be fortunate enough to
have a feminine star. Miss Clara
Kathryn Haywood of Cinny, Pa.,
more than did her bit in the interest
of the fund. Not only did she pay her
expenses that she could appear in the
billiard act at the Palace Theatre last
Winter which netted the fund a tidy
sum but she also appeared in a similar
giving many exhibitions in her native
state. Miss Haywood is the most won-
derful player of her sex that ever
wielded a cue.

Champion Annie Kieckhefer, Char-
lie Morin, R. I. McGinnis, Percy Col-
lins, Fred Conklin, Joe Capron, Char-
lie Le Gros, Bob Cannelax, Betty
Kitchner, John Moore, Miss Petrie,
Bob Lord, Jim Shea and others too
numerous to mention all played their
parts in the fund campaign.

JACK MAULIFFE IS Y.M.C.A. VOLUNTEER

Old Pugilistic Star One of Se- veral Sport Notables To Offer Services As Athletic Director.

New York, July 26.—Jack Mauliffe,
who retired from the ring holding the
world's lightweight championship, is
included among seventy-five men who
have volunteered here for work as phys-
ical directors with the American ex-
peditionary forces, according to an
announcement by the Young Men's Chris-
tian Association tonight.

Other recruits are Tom Sharkey,
former heavyweight; Walter C. Car-
ter, who pitched for Yale, and William
Roper, one time Princeton football
star.

Herbert L. Pratt, chairman of the
overseas recruiting drive, declared
that 100 men, capable of leading and
acting in outdoor play are needed at
once. With troops being sent abroad
in great numbers every week, he said,
there will be a constant demand for
men in the physical directors' forces.

AUTO KINGS RACE IN CHICAGO AGAIN

Manager Porter of Local Speedway Announces An- other Big Race For Chicago.

Cincinnati, July 26.—Chicago is
going to have another big automobile
race, which promises to be even bet-
ter than the 100-mile Derby held at
Speedway Park on June 23, according
to Manager Charles H. Porter, who
is here getting drivers for the event.
He has already opened negotiations
with Louis Chevrolet, winner of the
Derby; Ralph De Palma, Dario Resta,
Arthur Dury and Ralph Mulford,
who ran second to Chevrolet.

The success of the last speed can-
didate in Chicago, when two speed
records were broken, as well as the
high mark for attendance, has con-
vinced the drivers that Chicago is
going to be the center of automobile
racing for this and probably next
season. All of the star pilots assem-
bled here for the race at the Cin-
cinnati Speedway on July 4 are anxious
to get back to Chicago for another
meet there.

The only thing that seems to stand
in the way is the fact that with the
1918 season well advanced the old
bitterness is beginning to crop out
among the leading drivers, and it is
difficult to get them to consent to any
race conditions, each fearing that the
other is getting the better end of the
deal.

Manager Porter announced here
that popular prices will continue to
prevail at Speedway Park, including
the sale of reserved seats in the grand-
stand at \$1. All the prices will be
fixed at a uniform scale of \$1, \$2, and
\$3, with free parking space in the in-
field for thousands of cars.

FAST RUN MADE OVER WESTERN DESERT ROADS

By making the run from Kingman,
Ariz., to Los Angeles, Cal., a distance
of 407 miles, across the Mojave and
Great American deserts, in 11 hours
46 minutes a Lexington six recently
smashed all previous records for this
drive. It not only beat the fastest
Santa Fe passenger train, but it over-
whelmed all stock and racing car re-
cords. Nearly an hour was clipped off
the record made by Barney Oldfield
in the Los Angeles to Phoenix race.

JAPANESE TENNIS STARS EN ROUTE TO NEW YORK

Seattle, Wash., July 26.—Ichiji Ku-
maza, the Japanese tennis player, is
in Seattle today from Japan and will
proceed to New York. Kumaza an-
nounced that he expects to win the na-
tional championship this year.

ENGLAND GOING BACK TO THE "ONE-LUNGER"

Plans are being made in England
to build after the war, a single-cyl-
inder 20 horse power car. This aston-
ishing announcement of the Austin
company, which has facilities for an
output larger than that of any other
British concern, has created a furor.
Americans cannot fathom the reason
for going back to the "one-lunger."

SCIENTIFIC ANGLERS TO COMPETE FOR TITLE

Chicago, July 26.—Scientific anglers
from widely separated parts of the United
States have sent in entries for the
tenth annual tournament of the
National Association of Angling Clubs,
which will take place here at Wash-
ington Park during the latter part of
August. Beginning August 22 and
ending Aug. 25, a varied program of
heavy and light tackle casting
events has been carefully prepared,
including accuracy and other tests.

PROFESSIONAL BALL PLAYERS GIVEN UNTIL SEPTEMBER 1 TO SEEK ESSENTIAL EMPLOYMENT

Washington, July 26.—Professional baseball players were given until September 1 to seek essential employ- ment or be called to the colors in an order issued by Secretary Baker today, denying the application of the Na- tional Baseball Commission that the ef- fective time of the work or fight regu- lations as they apply to the baseball industry be extended to October 15.

The secretary said that the limited
extension of time was given because
of the representation made that base-
ball players may have been put in a
less favorable attitude than others
affected by the regulations because
of their reliance on his statement that
the question of their inclusion in the
terms of the order would not be de-
cided until a case had arisen. He
made it plain, however, that the war
department is interested solely in the
strengthening of the nation's military
forces as the winning of the war is
regarded as the first consideration.
Provost Marshal General Crowder,
Mr. Baker said, had reported that it
was not clear to him that the game
would have to be discontinued even
if the order were made immediately
applicable, as only 237 major league
players would be affected. While re-

garding it as unfortunate to have so
wholesome a recreation as baseball
destroyed, the war secretary said it
would be a much more unfortunate
thing to preserve even so wholesome
an amusement by making an exception
in favor of baseball players, which is
dealt to great classes of persons in
the United States who were imme-
diately associated with process of the
national daily life more fundamental
than any more occupations. There
was this difficulty, he said, between
baseball and other industries classed
as non-productive, baseball is more
integrated, at least in the sense that
its successful conduct depends upon
the preservation of all major league
teams scattered throughout the coun-
try, while in most occupations the
work or fight order has merely a
series of local and more or less per-
sonal effects.

The secretary's decision pointed out
that the baseball managers had been
able to show only 237 players who
would be affected by the order. So as
to give ample time for readjustment,
Mr. Baker said he would fix the date
at September 1. The winning of the
war, he emphasized, was the task
before the country.

BRAVES AND CUBS AT MONTREAL TODAY

Montreal, July 26.—All arrange-
ments have been completed for the
game at Delorimier Park tomorrow
afternoon between the Boston Braves
and Chicago Cubs. The teams will
arrive in Montreal early in the morn-
ing and the game will start at 4
o'clock. Extra seating capacity has
been arranged for and the diamond is
in good condition. Patriotic societies
should benefit by the game, according
to the number of tickets disposed of.

LIVE TOPICS ON LIVE RING STARS

Johnny Kilbane, Mike Gibbons and
others may find themselves in the
same boat as White when they decide
to get under way again professionally.
Benny Leonard has been active in hard
fights as well as with his work as in-
structor, and is still going like a whirl-
wind. Ben is one of the greatest light-
weights of all time, with White the only
man on his inches having even an out-
side chance to whale him. It is prob-
able that promoters and managers
will conclude to postpone the long-
deferred Leonard-White match until af-
ter the war. Then it will draw a pile
of money. Championship scraps with
just now.

Sailor Solly Friedman is a bold, in-
trepid youth. He is bubbling over
with confidence since lacing Charlie
Scully and is challenging everybody.
Manager Ed White is having a hard
time holding him down. The other
day the sailor cornered Nate Lewis
and demanded a match with White.
Nate laughed at this proposition, of
course, but Solly was really sincere.
He does not even fear B. Leonard.
Nitchie Mitchell and several lesser
lights have declined to meet Fried-
man this month and he is simply
spitting for trouble. He is sure to
get it some fine day.
