WOMEN CURED AT HOME

Women's disorders always yield from the very beginning of the treatment to the mild but effective action of Orange Lily. Within two or three days after commencing its use the improvement becomes noticeable, and this improvement continues until the patient is completely cured. Orange Lily is an applied or local treatment, and acts directly on the woman's organs, removing the congestion, toning and strengthening the nerves, and restoring perfect circulation in the diseased parts. In order to convince all suffering women of the value of this remedy, I will send a 40 cent box, enough for 10 days' treatment, absolutely free to each lady who will send me her address. Enclose three stamps and address Mrs. Lydia W. Ladd, Windsor, Ont.
