Twenty-Six Women In Old Ladies' Home

Invested Capital of Home Increased \$8,000 During Last Year.

At the annual meeting of the subscribers to the Old Ladies' Home, the directors reported as follows for 1920-21:

Of the twenty-five inmates in the home on April 30, 1920, two have died, namely, Mrs. Cameron on July 22, 1920, and Mrs. Emily Coy, on Dec. 31, 1920. Three ladies have been admitted during the year: Mrs. Mary White on July 27, Mrs. Mary V. Smith on January 20, 1921, and Miss Mary S. L. Black on April 8, 1921.

Several changes were made by the finance committee in the securities held by the home that resulted in slightly increasing the income as well as the par value of the investments. The invested capital (par value) of the home is at present \$50,446.56, as compared with \$72,356.05 a year ago.

There was an increase of over \$300 in the amount of interest received last year compared with 1919-1920. To offset the deficits of the years 1917-1918, 1918-1919 and 1919-1920 and the expected deficit of the then current year, directors started in June last a campaign for subscriptions, with the result that \$4,984.50 was collected, against which there were expenses of \$147.95 for printing, postage, publishing, acknowledgments, commission (10 p. c.) paid Miss Ross on collecting \$391.50. There are a few small bills of expenses in this connection still to be passed and paid, and there is \$175 subscribed, but not yet received.

The general expenses for the year exceeded the income, excluding subscriptions, by \$742.89, which is much less than your directors anticipated. Since the deficits started they have been as follows:— 1917-1918 \$ 557.36 1918-1919 424.86 1919-1920 1,609.09 1920-1921 742.89 \$3,334.00

As the net amount collected during the year in subscriptions as an offset to those deficits amounted to \$4,350.54, there is a balance of \$1,024.92 remaining to apply on the anticipated deficits of the current year and the year after.

GENERAL TRADE BETTER.

Winnipeg, Man., June 3.—There is not much change from last week in the wholesale trade throughout Canada, according to the weekly trade review issued by the Canadian Credit Men's Trust Association today. Montreal and district report a slight improvement in the retail trade and increased business in sorting orders. Toronto advises that conditions are still much below normal. Business for immediate requirements in ladies' wear except hats and coats, is fairly good. Collections are improving slightly. In western Canada business is reported quiet, with some improvement in retail trade in Saskatchewan noted within the past few days.

"Listen, Mother"

"HERE is a letter from Bessie, and she says she is feeling fine again after using Dr. Chase's Nerve Food."

"I knew it was just what she needed to build up her system after baby's coming."

"She says she is sorry she did not take your advice long ago instead of worrying along as a semi-invalid for so many weeks."

"What else does she say?" "I will read you the rest. She says: 'My nerves got so upset that I could not sleep scarcely at all. Digestion was bad and I had palpitation of the heart. Baby got cross and irritable, and at times I got terribly discouraged.'"

Regains Appetite After 32 Years

Lessaro Says He Didn't Enjoy a Single Meal in All That Time.

If anyone has more cause than another to be glad they were induced to give Tanlac an honest trial it is surely Norbert Lessaro, well known shoemaker residing at 206 Plessis street, Montreal. In an interview recently, Mr. Lessaro made the remarkable statement that the medicine had relieved him of troubles of thirty-two years standing. Here is his own story: "For thirty-two years I didn't know what it was to eat and enjoy a good square meal. What little I forced myself to eat did not agree with me, and caused terrible pains in the pit of my stomach for hours after every meal. My back hurt a great deal to satisfy me, and I can even eat a meal of cold meat without suffering a bit afterward. I sleep fine every night, never have a dizzy or fainting spell, and have gained several pounds in weight. In fact I feel just like I've been made into a new man, and in all the seventy-three years of my life, I've never seen or heard of a medicine as good as Tanlac."

LIVING BONUS REMOVED. Regina, Sask., June 3.—A wage concession to Imperial Oil Company employees known as a "cost of living bonus" has been cancelled according to local officials of the company. The bonus starts from June 1. All Canadian employees of the company, it is stated, are affected.

"Well, Thomas, how are you?" "I be better than I was, sir, but I bain't as well as I was before I was as bad as I be now."
