Sunday morning William Adams, who for many years has run a small grocery store at the corner of Crown and Union streets, died after an illness of a fortnight. He had not enjoyed good health for many years, having been a sufferer from asthma most of his life.

# It is Incontrovertible!

The Editor of the "Christian Million." under the heading of General Notes, on August 20, 1896, wrote:— "A good article will stand upon its own merits, and we may rely upon it that nothing will continue long which does not, in a mort or less degree, harmonize with the statements which are published concerning it." Mr. Hall Caine,

Author of "The Deemster," "The Manxman," "The Christian," etc., when speaking on "Criticism," recently, said:—
"When a thing that is advertised greatly is good it goes and goes permanently; when it is bad, it only goes for a while: the public finds it out." The Proprietor of

# **BEECHAM'S PILLS**

1 tas said over and over again :—
"It is a fallacy to imagine that anything wt it sell just because it is advertised. How man any nostrums have been started with glare and souffed out in gloom? The fact is, a man is not easily guiled a second time; and every dissatisfied purchaser does ten times more harm than one satisfied does good. Assure, ily the sale of more than 6,000,000 boxes o. BEECHAM'S PILLS per annum, after a pa bitc trial of half-acentury, is conclusive te. timony of their popularity, superiority and proverbial worth."

Beecham's Pills have for many years been the popularity.

Heavy Judgment Against Kruger.

MONTREAL, Aug. 14-C. E. Brown, at present in this city, has a judgment against President Kruger of the Transvaal for a million sterling. Brown, a partner of Barney Barnato, who, having taken up lands in the Transvaal, was refused his papers by the Pretoria government and took action against Kruger, securing a judgment from Kruger's own supreme court. He believes when a representative government is established the claim will be held to be good.

present in this city, was asked to today
by a representative of the Associated
Press about the interview which he had
with Emperor William of Germany on
board the imperial yacht at Kiel August
2. He said that his mejesty, in the interview referred to, had not made the
remark that German-Americans would
not permit an aggressive policy on the
part of the United States towards Germany and that nothing of this kind had
been mentioned. However, it was gathered from the conversation with Mr. Foss
that the remainder of the interview with
Emperor William, as published in the
German newspapers and catled to the
Associated Press, was correct.
Mr. Foss said he regarded the conversation with his majesty as confidential and would not give any of it
out for publication, except to say that
Emperor William expressed the kind
liest feelings towards the United States,
and was in no way influenced by the
newspaper reports in regard to the
Dewey interview and other matters.
