first letter on Saturday, Sept. 16, dated Sept. 19, and posted it on Monday, Sept. 18. When writing he thought Monday would be the 19th and so wrote it. He mailed it on Friday morning, the 18th, in time to go out to Pettoisdic and to Sussex on Tuesday morning the 19th. He slipped his case to other parties. That same day he received a letter accepting his offer from the Maritime Dairy Company dated Sept. 22, which is postmarked Sussex, Sept. 23, Pettoisdic, Sept. 25, and New Canada Sept. 28. He at once notified the plaintiffs by post card that his acceptance was not late.

The judge's charge to the jury referred to the disparity between the dates of the indictment, namely \$100. He handed to the very loose and unbusinesslike manner in which the affair was conducted by the defendant. He stated that the case referred to the actual and speculative dates, which, apart from the dates, was simple and clear in phraseology and general import. He reviewed the evidence and referred to the actual and speculative dates, which, apart from the dates, was simple and clear in phraseology and general import.

Jacques River, returned from the north yesterday, having finished his work. He reports good hauling in Restigouche county.

Last night Mrs. Andrew Dunn entertained a nice social in the manse. There was a good attendance and programme. James Neales Wathen was chairman. Addresses were made by Rev. F. G. Macdonald and the choir.

The bridge in Beauceville, over Coal Branch river, went out in last week's freshet.

Mr. and Mrs. John Hall has received the news of the death of his son, Thomas Hall, which occurred Sunday, longed to Chatham, but has for several years resided in Massachusetts. He leaves a wife and four young children.

John MacDonald expects to build a new residence next summer on the lot on King Street which he recently purchased from James Pallen.

Sergeant Hornbeck, formerly of Toronto, but now of Halifax, is in town looking for recruits for the Halifax garrison. After leaving Chatham the sergeant will visit Fredericton, St. Andrews, St. Stephen, St. John and Moncton.

Slating and re-roofing were never better than during the last week, and need to say they are being enjoyed by hundreds. There has been a good deal of slating and re-roofing records have been made. One party claims he ran nine miles in twelve minutes.

The schools were closed Friday afternoon so the children could enjoy the sport. The weather is very mild and there is not much snow on our streets, and even less in the country districts.

It has been decided to hold the third agricultural and industrial exhibition here on recovering from the effects of the late snow. The date is fixed for Sept. 10 to 15, and from the interest already evinced there seems to be little doubt of its success. Besides being open to the maritime provinces, large exhibits from the northern counties of the province are expected, so the fair will be on a much larger scale than the preceding one. When the house opens a delegation from the association will be on hand to see about the grant for the exhibition.

CHATHAM

Chatham, Jan. 30.—John Hall has received the news of the death of his son, Thomas Hall, which occurred Sunday, longed to Chatham, but has for several years resided in Massachusetts. He leaves a wife and four young children.

YES—THEY ARE.

We have talked so strongly about "Fruit-a-tives" being a liver tonic, and curing Constipation and Biliousness, that some may think they are not for anything else. Well, they are. "Fruit-a-tives" are a grand, good tonic for the whole system. One "Fruit-a-tives" tablet three times a day, makes rich, red blood and firm flesh. The same daily treatment and a sensible diet takes away dyspepsia and gives you sound digestion, and good appetite. "Fruit-a-tives" clear the skin of pimples and blotches—make the complexion fresh and rosy. Get "Fruit-a-tives"—take them the right way—and see how you improve.

WEARY DAYS AND SLEEPLESS NIGHTS

Many men and women too tight dawn night upon sleepless beds until near dawn. Their eyes do not close in the sweet and refreshing slumber that comes to those whose hearts and nerves are right. Worry or disease has so debilitated and irritated the nervous system that it cannot be quieted. Or, again, you have heart palpitation and sensation of sinking, a feeling you are going to die or perhaps you get up from your sleep feeling as though you were about to choke or smother, and rest leaves you for the night. Allow these conditions to continue and you will feel your health declining.

MOVE TO STOP Child Labor

New York, Jan. 29.—Plans to enlist the support of all the clergymen of the country in the movement for the suppression of child labor were discussed at a meeting of the National Child Labor Committee. Bishop Coakley, Greer, of the diocese of New York, and a number of other prominent clergymen attended.

DEAFNESS

Its Cause, Treatment and Cure. Many sufferers blame their poor hearing to the use of improper remedies for catarrh, such as sprays, douches and atomizers. Perhaps the most common cause of ear troubles and deafness is a catarrhal condition of the Eustachian tube. Not infrequently the ear drum is broken or partially broken away. A few weeks' treatment with Catarrh-o-lysis always gives satisfactory relief. It is a certain cure for catarrh in any part of the system and here, as in any other case of deafness, it is not a cure in a few weeks.

PERHAPS YOU KNOW WHAT AILS THIS MAN?

His appetite is voracious. He can't get any sleep. Yet he is lazy and has to exert himself. Look at his eyes—they are glassy and dull. His tongue is coated with a yellow film. When he gets up he feels dizzy. Is he sick? Not had enough to eat? No! He is constipated, his system is clogged up, his stomach is bilious and overladen! Every box guaranteed, price 25c, or five for \$1.00, at all dealers, or Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

THE LIVER

The liver is the most important organ of the body. It is the great filter of the blood, and it is the source of the bile, which is necessary for the digestion of food. If the liver is diseased, the bile is not secreted properly, and the food is not digested. This leads to constipation, biliousness, and other ailments. It is important to keep the liver healthy by eating a diet of fresh fruits and vegetables, and by avoiding alcohol and other stimulants.
